With millions at risk of cardiovascular disease, the TLC diet makes use of nutrition and exercise as a first-line approach to disease prevention. For more than a decade, health experts have regarded the TLC diet as the healthiest method to reduce heart disease risk. The diet is based on the Dietary Guidelines and a diet rich in fruits, vegetables, and whole grains. The TLC diet focuses on improving heart health and also follows the weight management guidelines. The TLC diet is divided into three components: diet, exercise, and weight management. The program recommends 30 minutes of moderate intensity exercise five times a week. The goal is to reduce the risk of heart disease by 50%. The TLC diet emphasizes eating behaviors more than the time of day meals are consumed. For example, the program discourages eating dinner or snacking while watching TV. This is to prevent overeating. You can practice losing weight by going to the gym or by registering for a walk. **TLC Diet** Mary Nabors, 2021 **Reduce Your Cholesterol Level With The New TLC Diet Cookbook And Meal Plan For Novices And Dummies** Enedino Smith, 2021-03-21 The TLC diet is one of the few diet plans that is not only recommended as one of the best diets by health experts and is designed to help promote better heart health and reduce cholesterol levels by using healthy eating patterns with lifestyle modifications and strategies for weight control. Plus, the diet treats the underlying condition by managing blood pressure and keeping your waistline in check. You've probably heard that you need to keep your cholesterol under control. But do you get confused by what to do and what not to do? Wonder about what to eat and what to avoid? The TLC Program is for Therapeutic Lifestyle Change. It's a diet that can help you with your questions. The National Heart Lung and Blood Institute found that for people with heart disease, the diet can help you want to reduce the blood cholesterol. It's a three-part diet that works with your heart. This is not a fad diet. It is a diet that is a plan and that changes your habits for the long run. **Guide to Life Changing Cookbook For Beginners And Dummies** Dr Patrick Elliot, 2021-07-29 Whether the TLC diet is easy to follow depends on your knack for tracking what you

eat It's up to you for example to ensure that no more than 7% of your daily calories come from saturated fat and that you don't exceed 200 milligrams of daily cholesterol from food The TLC diet isn't the greatest when it comes to convenience The TLC diet takes work and a certain aptitude for reading nutrition labels And aside from an 80 page manual available online called Your Guide To Lowering Your Cholesterol With TLC there are few resources to help you along *The Ultimate TLC Diet Cookbook* Jimmy Thompson, 2021-08 The TLC diet is a heart-healthy diet which is designed to help people who have heart disease high total cholesterol, high LDL cholesterol also known as bad cholesterol and low HDL cholesterol people who are at risk for heart disease The TLC diet is one of the best diets both for preventing and treating heart disease It's designed to help remain both heart healthy and to help people who have heart disease high total cholesterol, high LDL cholesterol also known as bad cholesterol and low HDL cholesterol at risk for heart disease The TLC diet also recommends for patients who have had a heart attack or stroke to help lower the risk of another heart attack by lowering blood sugar, managing blood pressure levels and keeping your waistline in check The book is available for free with the TLC diet booklet and video and for the TLC diet Get a free Ultimate TLC Diet Cookbook and newsletter
