

- **Question**

When should the Eid feast traditionally take place – after the Eid prayer, at lunch-time, at dinner-time...?

- **Answer**

There is no evidence in the Sunnah for an Eid Feast (or walimah). The Sunnah instructs the Muslims to feed people from the sacrifice, but not necessarily by holding a feast. However, to many people, the Eid day is an occasion to meet friends and relatives, and to celebrate together. Feasting is a common celebration practice. So, as long as it is not treated as a religious ritual, and as long as it does not involve extravagance and other prohibited things, then it can be held at any time convenient for people.

To Feast Or Not To Feast That Is The Question:

Consumer Optimization Problem Solving Alfred L Norman, 2014-12-15 What algorithms are tractable depends on the speed of the processor Given the speed of digital computers polynomial algorithms are considered tractable But a human can take several seconds to make one binary comparison between two pens Given this slow speed sublinear algorithms are considered tractable for an unaided human and this defines Simon's concept of bounded rationality Humans make simplifications to solve the intractable consumer optimization problem Consumers search for goods and services item by item which greatly reduces the number of alternatives to consider In addition consumers have operators that can process a set in a single operation Also consumers budget by incremental adjustment In considering consumer performance the question to ask is how close to optimal is consumer performance and not whether consumers optimize as a yes no question Given the ordinal nature of utility theory this creates a basic measurement problem The book presents a review of the literature on consumer performance This is an opportune time to study consumer procedures because the Internet provides a media to make substantial improvements in consumer performance The book includes a case study comparing the performance of a digital camera selection code with the advice of sales people A field experiment demonstrates that the software code provides better advice

Answers to Tough Questions J. Carl Laney, 2010-08-01 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social shame evoked by mental status adversity slavery abuse illness grief and defeat Anthropologists sociologists and psychologists have discovered that unresolved social shame is related to racial and social prejudice to bullying crime genocide narcissism post traumatic stress and other forms of toxic behavior Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St Mark's United Methodist Church in Lincoln NE in October 2010 Their essays explore the impact and the transformation of shame in a variety of arenas comprising in this volume a unique and innovative resource for contemporary religion therapy ethics and social analysis

A treatise of miscellany questions; wherein many useful questions and cases of conscience are discussed and resolved George GILLESPIE (Minister at Edinburgh.), 1846 *The Sunday School Teacher*, 1875 *The Homiletical Question* William F. Brosend, 2017-11-09 The Homiletical Question offers preachers from beginning students to the most experienced a concise introduction to lectionary based preaching in liturgical contexts familiar to Anglicans Roman Catholics Lutherans Methodists and others The book demonstrates how by answering a single simple question each time a sermon is prepared preachers can respond fully and faithfully to the biblical text the needs and issues of the audience and the challenges of a changing world Chapters explore the practice of homiletical exegesis creation and illustration of the moves that shape the sermon crafting introductions and conclusions and preaching baptisms weddings funerals and other special occasions As Thomas G Long writes in the foreword

That the homiletical question should yield answers that are beyond the reach of the preacher answers that manifest preaching as an event of surplus and abundance answers that point toward the mystery that is the Holy Spirit answers that take us to our knees in prayer before they take us into the pulpit would come as no surprise to Brose. That very mystery that very abundance is at the heart of Brose's theology of preaching and therefore at the heart of this book.

New Testament Investigations Chrys C. Caragounis, 2022-08-03 Chrys C Caragounis addresses linguistic exegetical historical and theological questions around the New Testament from a diachronic perspective. He treats the Hellenic language as a unity utilizing relevant linguistic and philological evidence from its entire literary history.
