Tongued With Fire Groups In Experience:

Traumatic Experience in the Unconscious Life of Groups Earl Hopper, 2003-04-15 Working within the traditions of Bion Turquet Foulkes and Pines and drawing on concepts and data from psychoanalysis group analysis and sociology this volume develops Earl Hopper's theory of the fourth basic assumption in the unconscious life of groups and group like social systems within a social cultural and political context

An Introduction to Systems Psychodynamics David Lawlor, Mannie Sher, 2021-12-13 This book provides an introduction to systems psychodynamic theory and its application to organisational consultancy research and training outlining systems dynamics methods and their historical and theoretical developments Systems Psychodynamics is an emerging field of social science the boundaries of which are continually being refined and re defined The systems designation refers to open systems concepts that provide the framing perspective for understanding the structural aspects of organisational systems These include its design division of labour levels of authority and reporting relationships the nature of work tasks processes and activities its mission and primary task and the nature and patterning of the organisation's task and sentient boundaries and the transactions across them This book presents a critical appraisal of the systems psychodynamics paradigm and its application to present day social and organisational difficulties showing how a holistic approach to organisational and social problems can offer a fresh perspective on difficult issues Bringing together the theory and practice of systems psychodynamics for the first time this book provides an examination of the systems psychodynamics paradigm in action This book gives an accessible and thorough guide to understanding and using systems psychodynamic ideas for analysts managers policy makers consultants and researchers in a wide range of professional and clinical settings

The Social Unconscious in Persons, Groups, and Societies Earl Hopper, Haim Weinberg, 2018-03-29 This book is concerned with the study of myths which are an important element in the cultural dimension of the foundation matrices of all societies It focuses on topics such as transmission the foundation matrix the social unconscious totalitarianism massification and identity formation

Psycho-social Explorations of Trauma, Exclusion and Violence Christopher Scanlon, John Adlam, 2022-01-06 The central theme of this book is the operation of intersecting discourses of power privilege and positioning as they are revealed in fraught encounters between in groups and out groups in our deeply fractured world The authors offer a unique perspective on inter group dynamics and structural violence at local societal cultural and global levels dissecting processes of toxic othering and psychosocial re traumatisation The book offers the Diogenes Paradigm as a unique conceptual tool with which to analyse the ways in which those of us who come to be located outside or on the margins of dominant social structures are in one way or another the inheritors of the legacies of centuries of oppression and exclusion This analysis offers a distinctive psycho social redefinition of trauma that foregrounds the relationship between the inhospitable environments we generate and the experiences of unhousedness that we thereby perpetuate Written in an engaging and accessible style *Psycho social Explorations of Trauma Exclusion and Violence* directly

addresses pressing global issues of racial trauma human mobility and climate disaster and offers a manifesto for the creative re imagining of the places and spaces in which conversations about restructuring and reparation can become sustainable This is an essential and compelling book for anyone committed to social justice especially for all practitioners working in health social care and community justice settings and researchers and academics across the behavioural and social sciences

Social Work Practice and End-of-Life Care Heather Richardson, Gillian Chowns, 2019-07-09 This book draws together the learning of a wide range of social workers and other professionals engaged in end of life care who recognise that dying is essentially a social experience and want to tailor a personal professional and societal response accordingly Through a systemic lens the book explores the nature and experience of living and dying in the UK today then considers ways in which social workers and others may want to work with people who are affected by a diagnosis of a life threatening condition The contributors offer rich and contemporary perspectives on death dying and loss reflective of their different approaches and interests The insights of the book are timely given the growing levels and changing nature of needs for people who are coming to the end of their life in the UK and beyond and the related requirements for compassionate personalised and holistic care within the increasingly professionalised arena of health and social care This book will be of interest to social work practitioners students and others committed to psychosocial support of people who are dying or bereaved and who want to consider how to provide this support most effectively Professionals who are interested in working alongside social workers to deliver high quality end of life care will also find this publication useful This book was originally published as a special issue of the Journal of Social Work Practice

Towards a Socioanalysis of Money, Finance and Capitalism Susan Long, Burkard Sievers, 2013-06-17 The current global financial crisis has raised awareness of the impact the world of finance has on the economy and the future of democracy Following the crisis this book aims at a deep understanding of the human psycho social dynamics beneath the surface of the financial industry its markets and institutions It seeks to understand why the seemingly rational world of economic behavior with its calculated models and predictions at times goes horribly wrong This book uses the discipline of socio analysis to explore the meaning of money markets and the broad financial world that so strongly affects our daily lives Socio analysis contributes to an awareness and understanding of underlying unconscious desires fantasies and illusions that bring about the irrational inflation of faith and trust in the world of money finance and capital ism The insight that the financial crisis was essentially psychological in origin Robert Shiller and that the world of finance is broadly shaped if not determined by irrational often unconscious factors is not yet broadly shared This book appears to be one of the first if not the first contribution that explicitly focuses on what is beneath the surface of money finance and capital It invites the reader to explore the financial world in depth The aim of this book is to provide businesses organizational consultants students researchers and interested persons more broadly with a detailed exploration of the psycho social dynamics of the financial industry as it exists currently within the capitalist system The contributors to this

book come from Australia Denmark France Germany Hungary Sweden The Netherlands UK and USA Being a Systems Psychodynamic Scholar Frans Cilliers,2019-12-17 This Festschrift has been compiled by Sanchen Henning in honour of the work of Professor Frans Cilliers On behalf of colleagues and friends in South Africa and abroad she illustrates their appreciation and respect for his role as scholar in Systems Psychodynamics He produced various pioneering research projects in Organisational Psychology as his field of study through the Systems Psychodynamic lens A specific feature and contribution of the book is the application of Systems Psychodynamics to organisational matters and leadership consulting as well as to the lived experiences of postgraduate students and academics The chapters include themes relevant on individual group and organisational levels and are intended to contribute to the body of knowledge in the field **Nationalism and the Body Politic** Lene Auestad,2018-05-01 This volume aims to question the recent revival of neo nationalist policies in the light of what unconscious fantasies are involved in these developments It examines both recent movements of right wing extremism and the way in which rearticulated neo ethnic ideas have been adopted by mainstream politicians and in mainstream public discourse Politicians from other than the right wing populist parties have tended to resist specific ways of talking that are considered too extremist rather than their underlying frame of interpretation Governments across Europe have adopted anti immigrant and anti Roma policies Xenophobia and hostility towards others is on the rise along with appeals to Tradition and Security Cultures of fear are linked with fantasies of fusion or imagined sameness Alongside the image of the nation as a mother and or father Reich 1933 called attention to the fantasy of the nation as a body echoed in Money Kyrle s 1939 characterization of group hypochondria in connection with the burning of witches and heretics

Fearless Consulting Erik de Haan,2006-06-14 The history of consulting dates back to the original intervention of the serpent in the Garden of Eden and today s consultants have just as dubious a reputation They are tempted by flattery and over assessment of their abilities and run the risks of uncertainty responsibility without authority and loss of control In order to steer a middle course they must understand their own intention as consultants Fearless Consulting clearly demonstrates that in spite of the many risks and temptations consultants can approach their profession and clients fearlessly and offers a range of philosophical inspirations for readers as well as specific intervention models and practical methodologies

Stories, Visions and Values in Voluntary Organisations Christina Schwabenland,2016-04-01 Christina Schwabenland s book is based on extensive research into stories told by people working in voluntary organizations in the UK and in India With a view to social change the author employs hermeneutic methods to explore how stories create and sustain meaning and how storytelling contributes to the making and remaking of our social world Specific topics addressed in the book include the role of storytelling in starting a new organization managing hope and despair empowering participatory leadership and stimulating creativity and innovation The book will be of interest to theorists and practitioners interested in the role of storytelling in organizational analysis the role of organizations in achieving social change the growing centrality of

the voluntary sector in public policy and the intersection between the corporate public and voluntary sectors

The Top Books of the Year Tongued With Fire Groups In Experience The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
