Tithing Linda Beavert,2015-05-06 Tithing Up Close and Personal is about the author s ten year journey after she committed to faithfully and consistently tithe While this is not a how to or self help book the author lets us see inside her heart and mind as she made decisions along the way through everyday situations The changes in her life as she went through the process have brought her from the time of bill collector calls overdue bills and the stress of not having enough money to a result of peace and comfort in her daily life and having enough money to meet her needs and to give more to others Retired people often live on a fixed income Since she started tithing God is stretching her income and it is not fixed **Tithing** Douglas Leblanc,2010-12-27 Bring the whole tithe into the storehouse that there may be food in my house Test me in this says the Lord Almighty and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it Malachi 3 1 0 In these uncertain economic times does it really make sense to tithe Douglas LeBlanc thinks the answer is clear enough in Malachi 3 10 where God goes so far as to tell us Test me in this The people profiled in this book have done exactly that and the effect on their lives has been dramatic In these intimate journalistic portraits LeBlanc shows us true tithing in action From members of the clergy to best selling authors to social activists both conservative and liberal these are the lives of real people who tithe in joy and plenty in the face of poverty and natural disaster in community and missionally and as a spiritual practice commanded by God They come from different backgrounds and live in varying degrees of financial comfort but they all tithe and wouldn t have it any other way Through their eyes we come to understand this ancient practice as God s call to a life of generosity compassion and joy THE ANCIENT PRACTICES There is a hunger in every human heart for connection primitive and raw to God To satisfy it many are beginning to explore traditional spiritual disciplines used for centuries everything from fixed hour prayer to fasting to sincere observance of the Sabbath Compelling and readable the Ancient Practices series is for every spiritual sojourner for every Christian seeker who wants more *Debunking "The Tithe of Israel"* Alvin J. Bates,2011-04-21 [Just Money](#) Wayne Kirkland,2012-08-01 Money Such a little word with such explosive power For love of money reputations have been ruined marriages have been destroyed lifelong friendships have been torn apart whole nations have bled For lack of money kingdoms have crumbled corporations have foundered lives have faded dreams have died But what about us ordinary folk Most of us spend more time thinking about money worrying planning earning spending counting hoping envying than about almost any other subject So what s money got to do with following Jesus A great deal actually Money is no side issue in the Bible It s talked about extensively Just Money offers both insights and suggestions as to how we can live a life of faith in a culture in love with the dollar Be prepared for some surprises *Tithing Removes the Curse of Poverty* Carolyn Webb,2020-06-28 Books goal is to share tools on removing poverty from the mindset spirit and finances *Living Under Heaven's Open Windows* Gordy Carlson,2022-01-04 God said in the book of Malachi chapter 3 10 that He will open the windows of Heaven and pour down a

blessing for you until there is no more need He is so confident in this claim that the verse is preceded with the phrase and thereby put Me to the test Have you ever wondered what is the test This book will reveal the test with simplicity and provide biblical insight into the heart and nature of our good God **Journey in Grace** Grace Mills,2022-01-07 God never intended for man woman to live life independent of His love and guidance Life is a journey Jesus Christ is the grace in that journey

THE LIGHT THE VEIL and THE SWORD Waynette Thomas,2025-09-18 A hot fiery service on a cool February night Nestled in between stores in a small storefront church I could feel my hands nervously grip a stranger s sleeves the pastor s I felt the cool hands of the usher as she unclutched my nervous grip that ruffled the pastor s sleeves A pastor built tall handsome single with money They say Valentine s Day is supposed to be the love day love month But how could I have known what walking through those doors that night would cost me The light the veil and the sword A sea of dreams The prophecy
