To Whom It May Concern: a Memoir of a Foster Child Laurie Kast-Klein, 2013-06-12 The long hallway ended with the entrance door I could hear Mom swearing and see her swinging fist as the big heavy door was being shut on her arm Before she was able to remove it someone shoved a piece of paper in her hand She stood outside the door screaming and cursing and we were pulled down the side hallway We too were kicking and screaming trying to get away from our captors We were so close to her so close Yeah I suppose there is definitely a feeling of hopelessness here *Adoption Memoirs* Marianne Novy, 2024-06-28 In this volume leading scholar of Literary Adoption Studies Marianne Novy complicates the all too often essentialized popular perspectives of adoption through a critical comparative analysis of over forty adoption memoirs

Young and Free Joanne Faulkner, 2016-05-03 Tracing the complex yet intimate relationship between a present day national obsession with childhood and a colonial past with which Australia as a nation has not adequately come to terms Young and Free draws on philosophy literature film and testimony The result is a demonstration of how anxiety about childhood has become a screen for more fundamental and intractable issues that vex Australian social and political life Joanne Faulkner argues that by interpreting these anxieties in their relation to settler colonial Australia s unresolved conflict with Aboriginal people new ways of conceiving of Australian community may be opened The book engages with philosophical and literary characterizations of childhood from Locke and Rousseau to Freud Bergson Benjamin Agamben Lacan Rancière and Halbwachs The author s psychoanalytic approach is supplemented by an engagement with contemporary political philosophy that informs Faulkner s critique of the concepts of the subject sovereignty and knowledge resulting in a speculative postcolonial model of the subject Cover artist credit Lyndsay Bird Mpetyane Artwork title Ahakeye Bush Plum
