Trend Following Michael W. Covel, 2007 Michael Covel reveals the underground network of little known traders and hedge fund managers

who've been using trend following for decades. He introduces its fundamental concepts and techniques showing why market prices contain all the information investors need and how to understand price movements well enough to profit from them. Using 100 pages of easy-to-understand charts from top trend followers, Covell proves the strategy works and shows why only a technical system based on following price trends can win over the long term. Covell presents more than a decade's worth of data information you'd otherwise pay a fortune to see, presented this clearly. He also shows even more backtested trend following results so you can gain even greater confidence in the method. Along the way, Covell thoroughly debunks misinformation and failed advice from pros who ought to know better. This timely book capitalizes on today's intense volatility and uncertainty to give investors what they're desperately searching for: a strategy that really works. **Trend Following**

Michael W. Covell, 2006 **Trend Following** Michael W. Covell, 2017-04-10 Want to take the financial journey to a new investing philosophy that might very well affect the rest of your moneymaking life? No one can guarantee the yellow brick road, but Michael Covell promises the red pill will leave you wide awake. *Trend Following* reveals the truth about a trading strategy that makes money in up, down, and surprise markets. By applying straightforward and repeatable rules, anyone can learn to make money in the markets, whether bull, bear, or black swan, by following the trend to the end when it bends. In this timely reboot of his bestselling classic, Michael Covell dives headfirst into trend following strategy to examine the risks, benefits, people, and systems. You'll hear from traders who have made millions by following trends and learn from their successes and mistakes. Insights only here: You'll learn the trend philosophy and how it has performed in booms, bubbles, panics, and crashes. Using incontrovertible data and overwhelming supporting evidence with a direct connection to the foundations of behavioral finance, Covell takes you inside the core principles of trend following and shows everyone, from brand-new trader to professional, how alpha gets pulled from the market. Covell's newest edition has been revised and extended with 7 brand-new interviews and research proof from his one-of-a-kind network. This is trend following for today's generation. If you're looking to go beyond passive index funds and trusting the Fed, this cutting-edge classic holds the keys to a weatherproof portfolio. Meet great trend followers, learning their rules and philosophy of the game. Examine data to see how trend following excels when you know what hits the fan. Understand trend trading from behavioral economics to rules-based decision making to its lambasting of the efficient markets theory. Compare trend trading systems to do it yourself or invest with a trend fund. Trend following is not prediction, passive index investing, buy and hope, or any form of fundamental analysis. It utilizes concrete rules or heuristics to profit from a behavioral perspective. *Trend Following* is clear, cut straight, and evidence-based and will secure your financial future in bull, bear, and black swan markets. If you're finally ready to profit in the markets, *Trend Following* is the definitive treatise for a complex world in constant chaos. *Trend Following Masters - Volume 1* Michael Covell, 2023-02-28 Michael Covell's *Trend Following* podcast has delivered millions of listens across 80 countries for over a decade.
