Your Happily Ever After PeggySue Wells, Writing with the empathy of someone who has seen and survived divorce PeggySue Wells offers a practical and encouraging resource for the newly divorced woman With inspiring Scripture passages light humor and sage advice Rediscovering Your Happily Ever After gives vital steps to reestablish emotional and spiritual health and nurture children at the same time **Rediscovered** Meg Osborne, 2018-12-28 Surprisingly reacquainted after many years apart Captain Frederick Wentworth and Anne Elliot have managed to salvage something resembling friendship out of their previous closeness and Anne tries to content herself with that She knows that Frederick does not return her feelings and focuses instead on cultivating friendships and enjoying her lot in life She is pleased to be of service in drawing Frederick s friend James Benwick out of the melancholy that has consumed him little realising her offer of friendship might be taken as something more by the serious Benwick Frederick is certain his feelings for Anne Elliot are confined to the past where they belong but when she falls ill during their party s trip to Lyme he is forced to realise the truth he has loved her and he loves her still Once her recovery is ascertained he realises he must do his best to resolve the anticipated connection between him and Louisa Musgrove but his progress is halted when he notices Anne growing closer to James Benwick Is he about to lose Anne a second time Rediscovered is book two in the three part Love Remains novella series a variation on Jane Austen s Persuasion *Exploration of the South Seas in the Eighteenth Century: Rediscovered Accounts, Volume II* Sandhya Patel, 2016-12-08 The publication of key voyaging manuscripts has contributed to the flourishing of enduring and prolific worldwide scholarship across numerous fields These navigators and their texts were instrumental in spurring on further exploration annexation and ultimately colonisation of the pacific territories in the space of only a few decades This series will present new sources and primary texts in English paving the way for postcolonial critical approaches in which the reporting writing rewriting and translating of Empire and the Other takes precedence over the safeguarding of master narratives Each of the volumes contains an introduction that sets out the context in which these voyages took place and extensive annotations clarify and explain the original texts The translated accounts of voyages undertaken by foreign vessels abounded in an era when they encouraged not only competitive geopolitical initiatives but also commercial enterprises throughout Europe resulting in a voluminous textual corpus However French merchant seaman Etienne Marchand s journal of his voyage round

the world in 1790 1792 encompassing an important visit to the Marquesas Archipelago during his first crossing of the Pacific remained unpublished until 2005 and has only now been made available in English The second volume of this series comprises an annotated translation in English of this document Forgetfulness Richard Reitsma,2024-08-15 The Jewish Holocaust orphan Jay s life story is linked to tales of deep hatreds profound love and paralyzing fears The storyteller is Harold He had been Jay s boyhood friend and only discovered late in life that Jay was one of a small number of Dutch Jews who had not been killed by Hitler and his murderous goons The hatred in this story is projected through the character of a Dutch Nazi who first raped Jay s mom and later killed her The love is presented through the story of the three way friendship between Jay s adoptive mom his natural mom and Harold s uncle The paralyzing fears in the story are portrayed through the character of Jay s adoptive dad who even after the war was still too afraid to tell Jay about his birth mom The ongoing drama in this three family story is repeatedly brought to the fore through the actions of Harold s dad who had the bravado of a storm chaser but the attention span of a two year old Jay s story is a parable in the sense that Hitler s henchmen usually but not always used violence and fear as tools to suppress the spirit of love in the Netherlands during WWII and afterwards
