When Wives Walk in Grace Steve McVey, 2013-08-01 Author and pastor Steve McVey has spent thousands of hours listening to and counseling women who face marriage difficulties. Many want to believe God is at work but they don't see how. They try to change their husband but eventually become frustrated, hopeless, or disengaged. Starting from the truth that a wife can't change her husband or children, only God can. Steve points women toward how God wants to change them by flooding their hearts with His generous grace so they can rest in His assurance of their worth when they feel pressured to do everything, trust, not fret when they're unsure about their husband's spiritual leadership, see God's bigger picture in the struggle with a prodigal child, take decisive loving actions in a controlling or bullying relationship. In these and other situations, *When Wives Walk in Grace* gives specific attitude-changing steps of faith to help women rest while God does the work in their marriage.

Bible Prophecy 101 Bruce Bickel, Stan Jantz, 2004-07-01 In the new Christianity 101 series, Bruce Bickel and Stan Jantz provide their easy-to-understand explanations about facets of the Christian walk in a style that invites believers and seekers to discover God, His Word, and His promises for daily living. Dealing with prophecy and the end times in their contemporary down-to-earth way, Bruce and Stan present the Bible's answers to readers' big questions: Is the end really near? Can we know? What is the rapture? Who is the Antichrist? What is his role in the tribulation? Inquisitive Christians and receptive seekers will gain valuable insight from this manual's clear biblical picture of what is to come. Formerly titled *Bruce and Stan's Guide to Bible Prophecy*.

Small Groups Made Easy Ryan Lokkesmoe, 2019-11-05 You're interested in leading a small group but you're a little afraid. What are you getting yourself into? How do you get started? Don't worry, you're not alone. Many small group leaders feel ill-equipped for the task of leading in spite of the many books, conferences, online resources, and church-based training opportunities that are available. Other small group books tend to focus on the overall theory of the small group's place in the life of the church rather than the day-to-day nuts and bolts. *Small Groups Made Easy* focuses on practical pointers, overcoming challenges, and how to lead discussions. Half the book is made up of short sample Bible studies and topical studies that include icebreaker questions, discussion questions about the text, and guides for leading prayer times. In this book, you'll discover all the tools you need to lead an effective small group.

[Fallen Freedom](#) Gordon E. Michalson, 1990-11-29 In this study, Professor Michalson attempts to clarify the complex tangle of issues connected with Kant's doctrines of radical evil and moral regeneration and to set the problems resulting from these doctrines in an interpretive framework that tries to make sense of the instability of his overall position. In his late work *Religion Within the Limits of Reason Alone* (1793), Kant charts out these doctrines in a manner that represents a fresh development in his own thinking on moral and religious matters, apparently at variance with the mainstream Enlightenment outlook which Kant otherwise

embodies His position appears to amount to a retrieval of the supposedly outmoded Christian doctrine of original sin and this ambivalence is seen to stem from his desire to do justice both to the Protestant Christian and the Enlightenment rationalist tradition which weigh equally heavily upon him In this study Professor Michalson attempts to clarify the complex tangle of issues connected with Kant s doctrines of radical evil and moral regeneration and to set the problems resulting from these doctrines in an interpretive framework that tries to make sense of the instability of his overall position

Partnership in the Gospel Robert Allan Hill, 2024-03-29 Many of our current lasting controversies in American Christianity are due in part to the willingness of liberals to champion reason and experience while leaving Scripture and tradition to conservatives and vice versa The liberal biblical theological voice once quite strong has fallen silent Grounded in a solid knowledge of biblical study *Partnership in the Gospel* presents a series of exercises or angles of perspective intended to support the rigorous consideration of biblical theological perspective that preachers teachers and lay leaders need This work draws from a range of scholarly theological and everyday voices and with kindred works of poetry art music and literature to explore the Bible s unifying themes through partnerships of perspective Each chapter offers an exercise that integrates Scripture experience tradition and reason the four sides of John Wesley s Quadrilateral as the means by which to engage with the gospel and appreciate a liberal biblical theology
