IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Retailer and their service personnel. It has been assembled from service procedures known to the industry, and more specifically YAMAHA Products, as already known and understood by the users, and have therefore not been retained.

WARNING: Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components, and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Retailer or the appointed service representative.

IMPORTANT: The presentation or sale of this manual to any individual or firm does not constitute authorization, certification or recognition of any applicable technical capabilities, or establish a principle-agent relationship of any form.

The data provided herein is to be accurate and applicable to the units indicated on the cover. The research, engineering, and service departments of YAMAHA are constantly striving to improve YAMAHA products. Modifications are, therefore, inevitable and specifications are subject to change without notice or obligation to retrofit. Should any discrepancy appear in text, please contact the distributor's Service Division.

WARNING: Static discharges can destroy expensive components. Discharge any static electricity your body may have accumulated by grounding yourself to the ground plane in the unit (heavy gauge black wire connected to this point).

IMPORTANT: Turn the unit OFF during disassembly and post replacement. Recheck all work before you apply power to the unit.
