Isle Jes Dory,2016-02-26 Eleanora Stone has spent her entire life moving from place to place with her aunt Ada never putting down roots Never making friends When on the cusp of her eighteenth birthday she is brought to a remote island off the coast of Maine to live everything changes for this is a homecoming of sorts Here she will connect not only with her family history but also the destiny of her blood Here she will be expected to grow into powers beyond all imagining and unseat an ancient evil poised to destroy mankind New Manners & Customs of the Bible James Midwinter Freeman,1998 Short of enrolling in a course in ancient Hebrew civilization this reference book is the quickest easiest and most enjoyable

way to understand the people and culture of the Bible It is an invaluable key to unlocking a complete and accurate understanding of Scripture that is often hidden in ancient Hebrew culture **War, Baby** Kevin Mitchell,2011-10-31 25th February 1995 The Dark Destroyer vs the G Man Nigel Benn and Gerald McClellan Two men with a reputation to defend a reputation for brutal unforgiving combat both in the ring and outside it Ostensibly they were fighting for a world title and a lot of money the stuff of professional boxing But this fight was different It was a rare collision of wills and few present had seen anything like it After ten of the most gruelling and vicious rounds that the sport of boxing has ever witnessed McClellan finally was defeated He knelt in his corner on one knee in submission And he never got up This is the story of what brought these two men together on the night of 25th February 1995 and how that night changed them forever It s a story too about those associated with the promotion of public fist fighting who bend morality to suit their needs It s a story that attempts to unravel the glamour of violence William Hill Sports Book of the Year Finalist DREAMER Reginald John Dunn,2010-10-22 The Book Dreamer is about a young boy Mike from Northern Ontario who had to grow up fast and hard to survive back in the late fifties His life took many twists and turns Not many of which that were good As you follow along on his journey of life with him it will be impossible not to feel as if you are right there with him Experiencing his life as he had right beside him with every trial and tribulation He may even need your help along the way Dreamer will be an unforgettable reading experience that will make you both laugh as well as cry with the young boy from Northern Ontario You could barely tell where the shore stopped and the ice started It all blended together because it was covered in snow So it all looked the same No starting point no ending point Not like when you looked out towards Lake Superior You could tell where the water stopped and the ice began to form The water actually looked scary unforgiving Similar to what you would imagine a living giant sea monster would be hiding in Like some kind of serpent would be part of Then all of a sudden take shape Reach up and grab you Never to be seen again because it would never give you back once you were with it Like the song years later by Gordon Light Foot The song about the Edmund Fitzgerald Superior they say never gives up her dead Mike After thinking all of this stuff to scare the living shit out of himself Then he proceeded to walk down to the skaters To the right Away from Superior Checking over his shoulder periodically to make sure nothing had changed In the way of Superior trying to sneak up on him When he reached the other kids no one paid him any mind No one even noticed him So he thought Feeling a little sorry for himself as anyone would have Everyone skating laughing and having a gay old time and him standing there like a lump He started to wonder around out of boredom Make a snow ball Toss it at nothing but a little more snow Look at the tree tops and see the birds Begin wondering how the hell they don t freeze to death in the winter All the time wondering aimlessly towards You guessed it Superior He was making his own trail for no one had ever walked here in these very steps Mike liked the idea that he was walking where no man had ever walked His little rain boots were the only tracks in that snow Mike was kinda like the explorers he had heard about that had gone where nobody had gone before He was one right now too Just a

little smaller scale Mike could hear the voices of the skaters ringing in his ears but for some reason they sounded barely audible He paid no mind Walked a little farther and now the voices were definitely not right You don't scream like that if you are having fun So Mike turned back to see just what the hell all the commotion was about As he stopped and turned back he heard it Even at a young age you know that sound You know that sound because it sends a cold chill right through you For a split second the warmth leaves your entire body HE HEARD THE ICE CRACK Then he felt the snow under his feet give just ever so slightly He looked up to see some people with their hands up to their mouths to look like giant O's Screaming at him to come back Again he noticed their breath coming out in a white cloud then blown away by the wind More importantly he noticed the urgency in which they were calling him to come back While others waved their arms madly in giant circular motions towards the tree line behind them Away from Superior It was at that point everything felt so calm Almost dizzying Everything slow and crystal clear The people were so far away now With their bright colored clothes and their hands all to their mouths yelling for him to come back He turned his head slowly back to look over his shoulder

Church Boy Love Adrian D. Nelson, 2023-03-07 Would you put your life as you knew it on the line for a loved one or leave them to face their own judgment for a wrong they committed You pulled it off But just when you thought it was all over and you were the savior of the day all hell broke loose as the tables turned and you were now on the run and being hunted in the worst possible way Street remained a loyal teenage church boy but made one drastic decision out of loyalty that led him straight into the most hellish experience and being hunted by everyone and even the unimaginable A story of survival A supernatural story of unbelief versus faith A story of determination A story of love and the price he had to pay This is the sequel to Street's incredible journey with mind blowing situations and consequences that you pray you will never find yourself in But he did This is a story that no one would ever tell because most wouldn't believe Rule 1 Don't ever fall in love again until your heart can handle it Rule 2 Don't ever enter a dance competition again Rule 3 No more street brawls Rule 4 Spend more time at church Rule 5 Never travel alone after dark but if you do never ever look her in the eyes if you should encounter her Street broke all five rules that came with severe consequences as he became The Hunted Based on actual events My
