[10 Questions Every Teen Should Ask \(and Answer\) about Christianity](#) Rebecca McLaughlin,2021-03-09 Written by Rebecca McLaughlin Author of *Confronting Christianity* In a world of increasing ideological diversity kids are being challenged to think through their own beliefs at an early age Questions like How can you believe the Bible is true Why can't we just agree that love is love and Isn't Christianity against diversity can seem like roadblocks for kids who are following Jesus as well as for those who might otherwise consider faith in Christ In this helpful book written both for Christian kids and for those who think Jesus is just a fairy tale character Rebecca McLaughlin invites readers ages 12-15 to dig deep into hard questions for themselves and perhaps discover that the things that once looked like roadblocks to faith might actually be signposts **Forbidden Fruit : Sex & Religion in the Lives of American Teenagers** Mark D. Regnerus Assocait

Professor of Sociology University of Texas at Austin,2007-02-05 Americans remain deeply ambivalent about teenage sexuality Many presume that such uneasiness is rooted in religion But how exactly does religion contribute to the formation of teenagers sexual values and actions What difference if any does religion make in adolescents sexual attitudes and behaviors Are abstinence pledges effective What does it mean to be emotionally ready for sex Who expresses regrets about their sexual activity and why Tackling these and other questions *Forbidden Fruit* tells the definitive story of the sexual values and practices of American teenagers paying particular attention to how participating in organized religion shapes sexual decision

making Merging analyses of three national surveys with stories drawn from interviews with over 250 teenagers across America Mark Regnerus reviews how young people learn and what they know about sex from their parents schools peers and other sources He examines what experiences teens profess to have had and how they make sense of these experiences in light of their own identities as religious moral and responsible persons Religion can and does matter Regnerus finds but religious claims are often swamped by other compelling sexual scripts Particularly interesting is the emergence of what Regnerus calls a new middle class sexual morality which has little to do with a desire for virginity but nevertheless shuns intercourse in order to avoid risks associated with pregnancy and STDs And strikingly evangelical teens aren't less sexually active than their non evangelical counterparts they just tend to feel guiltier about it In fact Regnerus finds that few religious teens have internalized or are even able to articulate the sexual ethic taught by their denominations The only and largely ineffective sexual message most religious teens are getting is Don't do it until you're married Ultimately Regnerus concludes religion may influence adolescent sexual behavior but it rarely motivates sexual decision making *Teen Sex by the Book* Dr Patricia Weerakoon, 2013-06-01 As a teenager sex surrounds you it's not something you need to go looking for Perhaps you think you know it all or maybe that's just the impression you give your friends This book answers your questions about teenage sexuality and relationships Renowned sex therapist and educator Dr Patricia Weerakoon explores the topics of sexual desire and arousal falling in love and dating things like How far is too far You'll also cover topics like cybersex pornography and homosexuality and the effects these can have on our sex lives The discussion is frank and in parts explicit You may find it a little uncomfortable but it's stuff that will inform and challenge you Ultimately it calls you to consider who you are and what you stand for Discover how living God's countercultural lifestyle leads to healthy pleasurable sex and intimate satisfying relationships that last a lifetime **Destination Reality** Brad Thomas, 2000 For many teens finding significance in life can be a daunting task Searching for Significance helps ease that burden with exciting activities and games that help teens discover that answers lie in the Word of God Besides the skits and interactive discussion starters this book provides reproducible worksheets and 12 ready to use lessons that can challenge students to dive into the Scriptures
