What Was The Lewis And Clark Expedition:

The Journals of the Lewis and Clark Expedition: August 30, 1803-August 24, 1804 Meriwether Lewis, 1983-01-01 The journey of the Corps of Discovery under the command of Captains Meriwether Lewis and William Clark across the American West to the Pacific Ocean and back in the years 1804-1806 seems to me to have been our first really American adventure one that also produced our only really American epic The Journals of the Lewis and Clark Expedition now at last available in a superbly edited easily read edition in twelve volumes of an eventual thirteen almost two centuries after the Corps of Discovery set out This important text has not been fully appreciated for what it is because of two centuries of incomplete and inadequate editing All three editions previous to this excellent one from the University of Nebraska were flawed by significant omission Thus my gratitude to the present editor Gary Moulton and his assistant editor Thomas Dunlay for bringing what I believe to be a national epic into plain view at last For almost two hundred years their Lewis and Clark's strong words waited there but not there printed but not read our silent epic But words can wait now the captains' writings have at last spilled out and fully in this regal edition When the Atlas of the Lewis and Clark Expedition appeared in 1983 critics hailed it as a publishing landmark This eagerly awaited second volume of the new Journals of the Lewis and Clark Expedition begins the actual journals of those explorers whose epic expedition still enthalls Americans Instructed by President Jefferson to keep meticulous records bearing on the geography ethnology and natural history of the trans Mississippi West Meriwether Lewis and William Clark and four of their men filled hundreds of notebook pages with observations during their expedition of 1804-6 The result was in is a national treasure a complete look at the Great Plains the Rockies and the Pacific Northwest reported by men who were intelligent and well prepared at a time when almost nothing was known about those regions so newly acquired in the Louisiana Purchase Volume 2 includes Lewis's and Clark's journals for the period from August 1803 when Lewis left Pittsburgh to join Clark farther down the Ohio River to August 1804 when the Corps of Discovery camped near the Vermillion River in present South Dakota The general introduction by Gary E Moulton discusses the history of the expedition the journal keeping methods of Lewis and Clark and the editing and publishing history of the journals from the time of Lewis and Clark's return Superseding the last edition published early in this century the current edition brings together new materials discovered since then It greatly expands and updates the annotation to take account of the most recent scholarship on the many subjects touched on by the journals

What Was the Lewis and Clark Expedition? Judith St. George, Who HQ, 2014-10-16 When Meriwether Lewis William Clark and the Corp of Discovery left St Louis Missouri on May 21 1804 their mission was to explore the vast unknown territory acquired a year earlier in the Louisiana Purchase The travelers hoped to find a waterway that crossed the western half of the United States They didn't However young readers will love this true life adventure tale of the two year journey that finally brought the explorers to the Pacific Ocean

Essential Lewis and Clark Landon Y. Jones,2002-03-19 The journals of Meriwether Lewis and William Clark remain the single most important document in the history of American exploration Through these tales of adventure edited and annotated by American Book Award nominee Landon Jones we meet Indian peoples and see the Great Plains the Rocky Mountains and western rivers the way Lewis and Clark first observed them majestic pristine uncharted and awe inspiring

The Journals of the Lewis and Clark Expedition: November 2, 1805-March 22, 1806 Gary E. Moulton,Thomas W. Dunlay,1990-01-01 The first five volumes of the new edition of the Journals of the Lewis and Clark Expedition have been widely heralded as a lasting achievement in the study of western exploration The sixth volume begins on November 2 1805 in the second year of Meriwether Lewis and William Clark s epic journey It covers the last leg of the party s route from the Cascades of the Columbia River to the Pacific Coast and their stay at Fort Clatsop near the river s mouth until the spring of 1806 Travel and exploration described in the early part were hampered by miserable weather and the enforced idleness in winter quarters permitted detailed record keeping The journals portray the party s interaction with the Indians of the lower Columbia River and the coast particularly the Chinooks Clatsops Wahkiakums Cathlamets and Tillamooks No other volume in this edition has such a wealth of ethnographic and natural history materials most of it apparently written by Lewis and copied by Clark and accompanied by sketches of plants animals and Indians and their canoes implements and clothing Incorporating a wide range of new scholarship dealing with all aspects of the expedition from Indian languages to plants and animals to geographical and historical contexts this new edition expands and updates the annotation of the last edition published early in the twentieth century **Lewis and Clark Through Indian Eyes** Alvin M. Josephy, Jr.,2007-06-12 At the

heart of this landmark collection of essays rests a single question What impact good or bad immediate or long range did Lewis and Clark s journey have on the Indians whose homelands they traversed The nine writers in this volume each provide their own unique answers from Pulitzer prize winner N Scott Momaday who offers a haunting essay evoking the voices of the past to Debra Magpie Earling s illumination of her ancestral family their survival and the magic they use to this day to Mark N Trahant s attempt to trace his own blood back to Clark himself and Roberta Conner s comparisons of the explorer s journals with the accounts of the expedition passed down to her Incisive and compelling these essays shed new light on our understanding of this landmark journey into the American West *The Lewis and Clark Expedition Day by Day* Gary E.

Moulton,2018-04-01 In May 1804 Meriwether Lewis William Clark and their Corps of Discovery set out on a journey of a lifetime to explore and interpret the American West The Lewis and Clark Expedition Day by Day follows this exploration with a daily narrative of their journey from its starting point in Illinois in 1804 to its successful return to St Louis in September 1806 This accessible chronicle presented by Lewis and Clark historian Gary E Moulton depicts each riveting day of the Corps

of Discovery's journey Drawn from the journals of the two captains and four enlisted men this volume recounts personal stories scientific pursuits and geographic challenges along with vivid descriptions of encounters with Native peoples and unknown lands and discoveries of new species of flora and fauna This modern reference brings the story of the Lewis and Clark expedition to life in a new way from the first hoisting of the sail to the final celebratory dinner The Definitive Journals of Lewis and Clark Meriwether Lewis, William Clark, Gary E. Moulton, 2004-01-01 In twelve remarkable volumes Gary E Moulton has edited the journals of the Lewis and Clark expedition of 1804-6 thus making clear and accessible to all readers the plethora of maps and words with which Meriwether Lewis and William Clark documented one of the greatest ventures of discovery in American history With the Comprehensive Index the thirteenth volume Moulton completes his work and offers everyone who consults the Journals a complete and detailed means of locating specific passages references and particular people or places within the larger work Throughout the edition his guiding principles have been clarity and ease of use Consequently the notes are indexed more thoroughly here than in most works and include modern place names modern denominations for Indian nations and current popular and scientific names for various cited species This volume also contains a list of corrections for earlier volumes **Discovering Lewis & Clark from the Air**, 2004 ANNOTATION In **Discovering Lewis and Clark from the Air** aerial photographer Jim Wark and Lewis and Clark scholar Joseph A Mussulman offer a fascinating new perspective on the Corps historic journey From Monticello in the east to Fort Clatsop on the Pacific coast the wild continent the expedition crossed is revealed anew in breathtaking full color photographs Well researched text accompanies each photo including quotes from the explorers journals The view from above provides new information about the Corps experience and stirs fresh wonder at their achievement **The Journals of the Lewis and Clark Expedition: August 25, 1804-April 6, 1805** Meriwether Lewis, William Clark, 1983 When the Atlas of the Lewis and Clark Expedition appeared in 1983 critics hailed it as a publishing landmark in western history The second volume which began the actual journals fully lived up to the promise of the first This eagerly awaited third volume continues the journals of explorers whose epic trail blazing still excites the imagination Instructed by President Jefferson to keep meticulous records bearing on the geography ethnology and natural history of the trans Mississippi West Meriwether Lewis and William Clark and four of their men filled hundreds of notebook pages with observations during their expedition of 1804-6 The result was and is a national treasure a complete look at the Great Plains the Rockies and the Pacific Northwest reported by men who were intelligent and well prepared at a time when almost nothing was known about those regions so newly acquired in the Louisiana Purchase Volume 3 consists of the journals during the expedition's route from the Vermillion River to Fort Mandan North Dakota and their winter encampment there It describes their encounters with Sioux Arikara Mandan and Hidatsa Indians including considerable ethnographic material on these tribes Some miscellaneous documents containing information gathered during the first year of the expedition originally published in a separate volume are here brought together in an appropriate

chronological sequence Superseding the last edition published early in this century the current edition contains new materials discovered since then It greatly expands and updates the annotation to take account of the most recent scholarship on the many subjects touched on by the journals
