What We Won Americas Secret War In Afghanistan 1979 89

Radoslav Yordanov

What We Won Americas Secret War In Afghanistan 1979 89:

What We Won Bruce Riedel, 2014-07-28 In February 1989 the CIA's chief in Islamabad famously cabled headquarters a simple message We Won It was an understated coda to the most successful covert intelligence operation in American history In What We Won CIA and National Security Council veteran Bruce Riedel tells the story of America's secret war in Afghanistan and the defeat of the Soviet 40th Red Army in the war that proved to be the final battle of the cold war He seeks to answer one simple question why did this intelligence operation succeed so brilliantly Riedel has the vantage point few others can offer He was ensconced in the CIA's Operations Center when the Soviet Union invaded Afghanistan on Christmas Eve 1979 The invasion took the intelligence community by surprise But the response initiated by Jimmy Carter and accelerated by Ronald Reagan was a masterful intelligence enterprise Many books have been written about intelligence failures from Pearl Harbor to 9 11 Much less has been written about how and why intelligence operations succeed The answer is complex It involves both the weaknesses and mistakes of America's enemies as well as good judgment and strengths of the United States Riedel introduces and explores the complex personalities pitted in the war the Afghan communists the Russians the Afghan mujahedin the Saudis and the Pakistanis And then there are the Americans in this war no Americans fought on the battlefield The CIA did not send officers into Afghanistan to fight or even to train In 1989 victory for the American side of the cold war seemed complete Now we can see that a new era was also beginning in the Afghan war in the 1980s the era of the global jihad This book examines the lessons we can learn from this intelligence operation for the future and makes some observations on what came next in Afghanistan and what is likely yet to come **What We Won**

Bruce Riedel, 2015 **What We Won** Bruce Riedel, 2014-07-28 In February 1989 the CIA's chief in Islamabad famously cabled headquarters a simple message We Won It was an understated coda to the most successful covert intelligence operation in American history In What We Won CIA and National Security Council veteran Bruce Riedel tells the story of America's secret war in Afghanistan and the defeat of the Soviet 40th Red Army in the war that proved to be the final battle of the cold war He seeks to answer one simple question why did this intelligence operation succeed so brilliantly Riedel has the vantage point few others can offer He was ensconced in the CIA's Operations Center when the Soviet Union invaded Afghanistan on Christmas Eve 1979 The invasion took the intelligence community by surprise But the response initiated by Jimmy Carter and accelerated by Ronald Reagan was a masterful intelligence enterprise Many books have been written about intelligence failures from Pearl Harbor to 9 11 Much less has been written about how and why intelligence operations succeed The answer is complex It involves both the weaknesses and mistakes of America's enemies as well as good judgment and strengths of the United States Riedel introduces and explores the complex personalities pitted in the war the Afghan communists the Russians the Afghan mujahedin the Saudis and the Pakistanis And then there are the Americans in this war no Americans fought on the battlefield The CIA did not send officers into Afghanistan to fight or even to train In 1989 victory

for the American side of the cold war seemed complete Now we can see that a new era was also beginning in the Afghan war in the 1980s the era of the global jihad This book examines the lessons we can learn from this intelligence operation for the future and makes some observations on what came next in Afghanistan and what is likely yet to come *The Troubled Triangle* Zafar Iqbal Yousafzai,2021-12-07 This book is a comprehensive analysis of the Taliban and how it has affected post 9 11 U S Pakistan relations It analyzes the genesis of the Taliban the rationale behind their emergence and how they consolidated their rule in Afghanistan from 1996 to 2001 It examines the U S policies towards the Taliban in the post 9 11 era and Pakistan s role as an ally in their efforts towards dismantling Taliban rule in Afghanistan from Obama s fight and talk policy to the Doha peace agreement in 2020 It also discusses the outcomes of the Global War on Terror GWoT as well as the Taliban s response to the U S led ISAF and NATO forces in Afghanistan The volume brings into focus Pakistan s policies vis vis the Taliban following the start of GWoT and how it pushed the U S Pakistan relations to its lowest ebb and then its role in bringing the Taliban to the negotiating table which resulted in the U S Taliban deal in Doha in February 2020 The author introduces a new balance of threat theory and expands on its applicability through the Taliban case study The book will be of great interest to scholars and researchers of U S foreign policy international relations peace and conflict studies strategic studies history diplomatic studies and South Asian politics *Pashtun Identity and Geopolitics in Southwest Asia* Iftikhar H. Malik,2016-07-18 Pashtun Identity and Geopolitics in Southwest Asia brings together Pakistan and Afghanistan as two inseparable entities by investigating areas such as the evolution and persistence of the Taliban quest for Pashtun identity the ambivalent status of the tribal region and the state of civic clusters on both sides In addition to their relations with the United States and the EU a due attention has been devoted to regional realities while looking at relations with India and China The study explores vital disciplines of ethnography history Islamic studies and international relations and benefits from a wide variety of source material The volume takes into account the salient subjects including political Islam nature and extent of violence since 9 11 failure of Western policies in the region the Drone warfare and the emergence of new regimes in Kabul Islamabad and Delhi offering fresh opportunities as well as new threat perceptions **Pakistan's National Security Approach and Post-Cold War Security** Arshad Ali,2021-03-30 This book analyzes the paradox that despite being a national security state Pakistan has become even more insecure in the post Cold War era It provides an in depth analysis of Pakistan s foreign and security policies and their implications for the overall state and society The book identifies the immediate security challenges to Pakistan and charts the distinctive evolution of Pakistan s national security state in which the military elite became the dominant actor in the political sphere of government during and after the Cold War period By examining the national security state militarization democracy and security proxy wars and the hyper military industrial complex the author illustrates how the vanguard role of the military created considerable structural sociopolitical economic and security problems in Pakistan Furthermore the author argues that the mismatch between Pakistan s national security

stance and the transformed security environment has been facilitated and sustained by the embedded interests of the country's military industrial complex. A critical evaluation of the role of the military in the political affairs of the government and how it has created structural problems for Pakistan this book will be of interest to academics in the field of South Asian Politics and Security South Asian Foreign and Security Policy International Relations Asian Security and Cold War Studies **Our Comrades in Havana** Radoslav Yordanov, 2024-07-16 In the immediate aftermath of its successful revolution Cuba was heralded by socialist nations as the vanguard of communism in Latin America in the early 1960s. But by the late 1980s Cuba's inability to adopt the modes of socialist planning and Mikhail Gorbachev's reforms had deeply soured the relationship between Havana and the Soviet led socialist bloc. While secondary literature often highlights Cuba's political and economic relations with Washington and Moscow Havana's ideological political and economic relations with the Eastern European states have received considerably less attention. This book aims to fill this gap by offering a detailed chronological account of how Cuba's post revolutionary development was influenced by Eastern European diplomats. Outside of their roles as representatives of their respective states Eastern European diplomats were entrusted with the task of educating local Cuban leadership in the intricacies of Marxism Leninism steering Cuba's governors onto the correct path of development helping them eradicate erroneous ideas of economic development and showing them the validity of socialist morals and ideology. By considering these developments and analyzing firsthand accounts of Eastern European diplomats' experiences in Havana historian Radoslav Yordanov reconstructs the thinking of Eastern European diplomats and specialists in their dealings with Cuba from the 1959 Cuban revolutionary victory to the 1991 dissolution of the Soviet Union shedding new light on Cuba's role in the global Cold War. Doctor, Teacher, Terrorist Sajjan M. Gohel, 2023-12-12 Ayman al Zawahiri co founder of al Qaeda and successor to bin Laden was one of the most influential terrorists of the modern era. In the first in depth biography of the Egyptian doctor and ideologue Sajjan M Gohel meticulously unpacks al Zawahiri's long career which spanned over 50 years in the growth and evolution of transnational terrorism. From an illustrious Egyptian family al Zawahiri chose to rebel against his own society and the international order. Through his travels across multiple continents the Egyptian found himself in many of the places where history was made. A pioneer of terrorist strategies and tactics al Zawahiri left an indelible legacy for al Qaeda and other terrorists to build upon. More Stories from Langley Edward F. Mickolus, 2020-09 A collection of personal essays detailing the adventures advice and experience of generations of CIA analytic operational support and technical officers and managers. **Wars Without End** Noel Anderson, 2025-01-02 Despite untold human suffering widespread destruction and far reaching destabilization the fires of many of the world's most violent civil wars continue to burn. How can we explain costly and stalemated yet seemingly endless conflicts? Wars Without End provides an answer. Bringing together battlefield bargaining dynamics the escalatory pressures of interstate competition and the systemic dimensions of geopolitical rivalry in civil wars the book challenges traditional conceptions of proxy war by deriving new

propositions about the strategic logics that motivate it Combining statistics with detailed case studies it explains how protracted fighting within states is linked to enduring competition between them
