When Christians Act Like Christians - Study Guide (Leader's Edition) Jeff Rosenau, 2014-09-02 Leader's Edition of Study Guide that goes with the book When Christians Act Like Christians for small group study

How to be a Christian Without Being Religious Fritz Ridenour, 2002-06-06 Since the days of the Early Church Christians have struggled to find a way to be good to please God by their own efforts They end up carrying a burden God never intended them to bear And what's more their brand of Christianity ends up looking like any other religion of the world bound by joyless rules and rituals Fritz Ridenour's study of the book of Romans provides an antidote to the pharisaical spirit and shows that Christianity is not a religion but a relationship It is not man reaching up but God reaching down Every Christian can enjoy his or her birthright when they realize who they are in Christ The result is a life full of hope joy power and potential

As Pilgrims Progress - Learning how Christians can walk hand in hand when they don't see eye to eye Stephen John March, David E. Bjork, 2015-05-29 This book is for Roman Catholic and Evangelical Protestant lay people who wonder what relationship if any they might have with their friends who come from a different Christian faith tradition than their own The authors aim to address that question in a practical way They believe that while disagreements remain it is possible to preserve the integrity of the faith while relating positively to Christians who cherish other beliefs The opinions expressed in this book grew out of nearly thirty years of experience as evangelical

protestant missionaries ministering in catholic parish communities in France The goal of the book is to move the readers beyond simply understanding each other to a place where they might begin using their diversity to stimulate and encourage each other in our common pursuit of obedient discipleship We know of no other book which targets ecumenical lay relations in this way *1 Corinthians (Baker Exegetical Commentary on the New Testament)* David E. Garland,2003-11-01 Paul s first letter to the Corinthians is one of the most important epistles in the New Testament David Garland s thoughtful new commentary draws on extensive research and engages the best of contemporary scholarship while providing a readable study that will be accessible to thoughtful readers as well as students pastors and scholars After considering the context of the letter and the social and cultural setting of Corinth Garland turns to his exegetical work An introduction to each major unit of thought is followed by the author s own translation of the Greek text In the course of his verse by verse commentary he incorporates references to other ancient writings that help explain particular aspects of Paul s meaning or provide information on the social and cultural context He also refers to the work of other commentators and provides extensive notes for further reading and research *Christians in the Age of Outrage* Ed Stetzer,2018 Today there are too many examples of those claiming to follow Christ being caustic divisive and irrational contributing to dismissals of the Christian faith as hypocritical self interested and politically co opted What has happened in our society Publisher marketing *The Christian Handbook of Survival* Silas Marshall,2016-08-02 All of the information that you will find in *The Christian Handbook of Survival* comes out of the pages of your Bible It s all there in plain sight but you have to seek it out diligently by asking God to reveal to you understanding of the letter or road map to success in the Kingdom of God God wants to approve you but you must study like you re studying for an exam or test in school If you don t do your homework and test time comes you will most likely fail God is much more forgiving and kind than most professors would be in this case but God wants you to know who you are he already knows he just simply wants you to know who you are So this book was written to encourage you in your quest for eternal knowledge and to inspire you to pursue God with much passion as you would if you wanted a husband or wife to live the rest of your lives with It is with this same passion and desire for the Word of Truth that God delights in when he sees you studying to show yourself approved a workman unto God not being ashamed by rightly dividing the Word of Truth **Wiersbe Bible Commentary 2 Vol Set** Warren W.
