By CGB This is for the ones still trying The ones still here The ones quietly breaking *When Love Is Not Enough* is a raw

reflective collection that holds space for those navigating the invisible weight of emotional exhaustion inside a relationship. Written in poetic essays and tender prose, this book speaks to the quiet unraveling—the moments when connection feels distant, when resentment grows unspoken, when your needs feel too big or too invisible. It's not about blame. It's not about fixing it. It's about telling the truth of what it's like to stay. And the grief that builds when you're not sure if you should. Through themes of burnout, attachment wounds, unspoken grief, and unmet intimacy, CGB guides the reader through the most fragile places of love: the kind that still cares, still hopes, and still hurts. This is not a guide to saving your relationship. It's a companion for the nights you feel alone in it.
