When Willows Weep Urban S:

When Willows Weep Charlay Marie, 2015-05-01 Mark is a successful preacher and attorney who owns his church and has a seemingly perfect family. However, there is a secret he's been hiding from his family for six years. He had a one-time affair with a black woman who has just showed up on his door to reveal the child he knew nothing about. His perfect family is scattered as they all deal with his past sins. His wife Claire cannot accept his child into their home because she is afraid that it will cause the whole church to turn against them. Mark's daughter Sarah once modeled her life after her seemingly perfect father until she learns what he did. She goes on a downward spiral filled with rebellion and anger as she lashes out against everything she once believed in. Ciara, Mark's six-year-old lovechild, has lost everything: her mother, her aunt, and now she is living with a new family who doesn't want her there. Mark cannot believe his sin has resulted in the Lord's wrath upon his family. He has lost his daughter, his wife, and now feels as if God Himself has walked away. Will Mark be able to realize that his love child isn't a curse from God but a blessing meant to humble his family and bring them closer to His presence? If not everything Mark worked hard for will wither away.
