

The book cover features a dramatic, low-angle shot of a white, classical-style building with columns, partially obscured by dark, silhouetted structures in the foreground. A single butterfly is visible on the building's facade. The sky is a deep blue with wispy clouds. At the bottom, there are hints of orange and red, suggesting fire or autumn leaves. The author's name is at the top, and the title is in the center, both in a white serif font. The text 'A NOVEL' is at the bottom center.

When Butterflies Cry A Novel:

Can Butterflies Cry ? Pam Mccagh,2012-06 Can Butterflies Cry as written by Automatic Writing All of my books are written by automatic writing As I have explained in my first book Sleep never comes for those that did not reach the other side It was the beginning of an urge to fulfil an agreement to tell the stories of the lost souls to help them accept death and move on This book also includes stories from my childhood experiences and how and where I was when I first encountered my spirit friends and what I have learned from being their interpreter I asked my guide a long time ago Why do they come to me His answer was in simplicity They do not come to give you proof of life They come for you to give them life after life I am not the judge just the storyteller The Reckoning Ninie Hammon,2017-02-23 Sorceress of psychological suspense Ninie Hammon brings you the third book in The Knowing Saga a sprawling tale of spiritual warfare that spans a quarter of a century If you crave sleep with the lights on suspense coupled with characters so true they ll feel like family then The Reckoning is right up your alley Ordinary people A demon from hell The final showdown In the summer of 1985 Daniel Burke Becca Hawkins and Jack Carpenter confronted a demon prince an efreet and somehow drove it back to hell They were twelve years old Twenty six years later the efreet returns and sends superhuman assassins to kill the now adult Three Musketeers before they can challenge him again Reconnecting for the first time in a quarter of a century the childhood friends piece together fragmentary memories of that long ago summer as they fight desperately to stay alive and to stop the voracious quest for power of the man possessed by the efreet Chapman Whitworth Now comes the final confrontation The only thing that stands between Whitworth and the presidency of the United States is a rag tag group of ordinary people Daniel Becca Jack and their friends This time they have to go after the demon not the man and it doesn t matter that none of them remembers how they defeated it the first time They have to find the monster hidden in a labyrinth of dark caves protected by legions of poisonous spiders and snakes And they have to stand together against it If any one of them breaks they all will die It has come down to this one last chance It s time for the reckoning The Knowing began the tale The Deceiving expanded it Now The Reckoning delivers a heart pounding continuation with a riveting account of the battle against an evil as old as the skeleton of the universe Simply phenomenal It s hard to nail the conclusion to a trilogy in a satisfying manner but Ninie really knocked it out of the park Steve Bochte What a ripping finale to the trilogy The author s wild imagination coupled with brilliant word skills and dazzling descriptive abilities present this work as a reading experience not just a book Suspense action horror intrigue it s all there along with beautifully balanced and subtle humour when the occasion calls for it M Dusrston There are times during the reading of the book that I was so caught up in the story that I reacted physically with racing heart and sweating palms At other times I consciously breathed a sigh of relief and appreciated the calm It s possible to read any of the three books in this set alone and follow the story line But don t cheat yourself read The Knowing and The Deceiving before you jump off into The Reckoning You won t regret it Phyllis W LOVED IT Again Ninie has not let me down

Before I read book 3 I re read the first two again I was expecting to rush thru those because of knowing what happened NOT I enjoyed reading them again and picked up some points I didn t see the first time If you have not tried this author you really must Most of her books I would give 10 stars if I could You rock Ninie D Price This book is fairly fast paced which makes it hard to put down The fact that the action keeps you turning pages sometimes does cause me to get less sleep Then when I finally read the last page I am sorry that I read so quickly and that it is already over Kaye If you like fast paced action gut tying thrills and themes that will challenge everything you believe about yourself life and reality about good and evil and the whole nature of the universe The Reckoning is the book for you *The Novels of Anita Desai* Manmohan Krishna Bhatnagar,Mittapalli Rajeshwar,2000 Anita Desai S Work Represents A Unique Blending Of The Indian And The Western Her Novels Catch The Bewilderment Of The Individual Psyche Confronted With The Overbearing Socio Cultural Environment And The Ever Beckoning Modern Promise Of Self Gratification And Self Fulfilment In The Face Of This Dual Onslaught Her Protagonists Male Or Female Maya Sita Monisha And Amla Sarah Nanda And Raka Bim And Tara Devan Baumgartner Are Seen Poised Rentalizingly At Different Junctures Of The Philosophic Spectrum Applying Sociological Psychoanalytic Structural And Other Approaches Of Formal Textual Analysis The Essays In The Present Anthology Take A Fresh Look At Established Works Revealing Aspects Of Study Hitherto Unexplored Offer Critically Insightful Probes Into Individual Novels And Explore The Deployment Of Images Symbols And Other Poetic Devices Besides Diverse Narrative Strategies An Indispensable Source Book For Students Researchers And Teachers Of Indian English And Commonwealth Literature In General And Fiction And Anita Desai In Particular An Insightful Companion For Research In Sociology And Women Studies
