When God Was A Black Woman And Why She Isn't Now:

You Can Never Satisfy a Woman Robert Gonzalez, 2022-04-08 You Can Never Satisfy A Woman is about many things in a woman's life that happens. The story is about a woman the way she thinks, speaks and does things. These experiences, thoughts and research I have learned growing up to adulthood about women. A woman's mind can change anytime so you have to be ready.

Miss Witherspoon Christopher Durang, 2008 THE STORY Veronica already scarred by too many failed relationships finds the world a frightening place. Skylab, an American space station that came crashing down to earth in particular haunts and enrages her. So she has committed suicide and is now.

Ebony, 1995-07 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American focused magazine.

Albert Cleage Jr. and the Black Madonna and Child Jawanza Eric Clark, 2016-09-14 In this collection, black religious scholars and pastors whose expertise range from theology, ethics and the psychology of religion to preaching, religious aesthetics and religious education discuss the legacy of Albert B. Cleage Jr. and the idea of the Black Madonna and child. Easter Sunday 2017 will mark the fifty year anniversary of Albert B. Cleage Jr.'s unveiling of a mural of the Black Madonna and child in his church in Detroit, Michigan. This unveiling symbolized a radical theological departure and disruption. The mural helped symbolically launch Black Christian Nationalism and influenced the Black Power movement in the United States. But fifty years later, what has been the lasting impact of this act of theological innovation? What is the legacy of Cleage's emphasis on the literal blackness of Jesus? How has the idea of a Black Madonna and child informed notions of black womanhood, motherhood, LGBTQ communities? How has Cleage's theology influenced Christian education, African American pastoral theology and the Black Arts Movement? The contributors to this work discuss answers to these and many more questions.

Devils Kill Devils Johnny Compton, 2024-09-24 *Devils Kill Devils* is perfect for fans of Silvia Moreno Garcia's *Certain Dark Things* and Southern gothic horror. Johnny Compton brings his trademark terror and dread that readers fell in love with in *The Spite House* to a new roster of monsters, angels, devils, vampires and a heart-pounding race to save the world. When all hell breaks loose, you need a devil on your side. Sarita has been watched over by a guardian angel her entire life. She calls him Angelo and keeps him a secret. But secrets can't stay buried forever. When Angelo murders someone she loves, Sarita begins to see what's really been lurking in the shadows surrounding her. And she will have to embrace the evil within if she hopes to make it out alive.

Johnny Compton, critically acclaimed author of *The Spite House* and master of dread, takes you on a terrifying race of one woman against the hordes of hell. Also by Johnny Compton: *The Spite House*. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Living God's Future Now Samuel Wells, Walter Brueggemann, Steve Chalke, Sarah Coakley, Michael Curry, Chine McDonald, Stephen Cottrell, Rowan Williams, 2022-10-31 Arguably the most imaginative and energetic church response to the pandemic has been that of HeartEdge, the interdenominational church renewal movement founded at St Martin in the Fields by Samuel Wells, but now

extending beyond the UK to Europe North America and Australia From serving thousands of meals on London's streets to becoming in all but name an online conference centre and theological college offering hundreds of events one outstanding feature of its programme has been Samuel Wells monthly conversations about the future of the Church with leading figures from Britain and America attended by large online audiences This volume offers a distillation of those conversations which instead of being preoccupied with decline focus on what Christian presence and practice might look like in the world that is being reshaped by what the pandemic has revealed and the theology that is needed to sustain such a vision **Our Hidden Conversations** Michele Norris, 2024-01-16 Collection of stories essays and photographs providing a window into America during a tumultuous era bookended by the presidencies of Barack Obama and Donald Trump Iphigenia Teresa de la Parra, 2010-07-05 Winner Harvey L Johnson Award Southwest Council on Latin American Studies 1994 I didn't want to tell you the truth for anything in the world because it seemed very humiliating to me The truth is that Iphigenia is bored and more than bored buried alive in her grandmother's house in Caracas Venezuela After the excitement of being a beautiful unchaperoned young woman in Paris her father's death has sent her back to a forgotten homeland where rigid decorum governs Two men the married man she adores and the wealthy fianc she abhors offer her escape from her prison Which of these impossible suitors will she choose Iphigenia was first published in 1924 in Venezuela where it hit patriarchal society like a bomb Teresa de la Parra was accused of undermining the morals of young women with this tale of a passionate woman who lacks the money to establish herself in the liberated bohemian society she craves Yet readers have kept the novel alive for decades and this first English translation now introduces its heroine to a wider audience **The Young Physician** Francis Brett Young, 2022-06-02 In *The Young Physician* Francis Brett Young maps the journey of Edwin Ingleby capturing his transformation from a lackluster student at St Luke's boarding school to a burgeoning doctor in North Bromwich Set against the backdrop of imminent warfare at the dawn of the twentieth century Young's narrative is both a personal coming of age story and a chronicle of professional maturation vividly framing the societal and medical zeitgeist of the period Young's meticulous depiction of the rural landscapes is presented with a lyrical poignancy that elevates his narrative prowess while his intimate portrayal of varying social strata intensifies the reader's grasp of the era's complexities This novel indulges readers with a rich literary tapestry woven through with elements of social realism and pastoral romanticism characteristic of his broader oeuvre Francis Brett Young's authentic rendering of the protagonist's medical odyssey is informed by his own comprehensive background in medicine having trained at the University of Birmingham before practicing as a physician His experiences as a medical professional as well as his service in World War I resonate through the novel's intricate detail granting an authoritative voice to the medical practices and social dynamics within *The Young Physician* His diverse career also extended to poetry playwriting and music but it is his profound knowledge of medicine that breathes life into Edwin Ingleby's story meticulously capturing the essence of a young doctor's toils and triumphs during a period of intense societal

transformation Esteemed readers and enthusiasts for historical fiction will find *The Young Physician* not only a testament to Young's literary craft but also an insightful exploration into the human condition and professional dedication Aspiring doctors lovers of early 20th century literature and those entranced by the patient dissection of human character under the scalpel of societal pressure will discover in Young's work an exquisite blend of academic pursuit and the poetic soul an exceptional addition to the libraries of scholars and lay readers alike

Trapped in the Body of Jesus James Thigpen, 2010-09-02

Cross the freaky Medieval art of Hieronymus Bosch with a church revival and you've got a rough idea of what *Trapped in the Body of Jesus* is about The book is a collection of three stories ultimately more satirical of people's perception of church than the institution itself Begun in 1990 *Soapwoman* is a coming of age tale of Spec Jordan a pubescent Baptist haunted not by the devil but by raging hormones and a spectre who renders bad white boys into bars of lye soap *A Bishop of The True Church* is the distorted story of Bishop Orvis Hedgepath a transplanted Mississippi prelate determined to escape his intolerant southern Baptist upbringing Hedgepath however reverts to his true form instituting a series of truly intolerant excommunications *In Division by Zero is Impossible* Mullis Pickman brings an apocalyptic secret home to his impoverished stomping grounds during Fulmen County's annual Lightning Festival
