When I Look At You Sheet Music:

Music of the First World War Don Tyler, 2016-03-21 This book discusses WWI era music in a historical context explaining music's importance at home and abroad during WWI as well as examining what music was being sung, played and danced to during the years prior to America's involvement in the Great War. Why was music so important to soldiers abroad during World War I? What role did music ranging from classical to theater music, rags and early jazz play on the American homefront? *Music of the First World War* explores the tremendous importance of music during the years of the Great War when communication technologies were extremely limited and music often took the place of connecting directly with loved ones or reminiscing via recorded images. The book's chapters cover music's contribution to the war effort, the variety of war-related songs, popular hits and top recording artists of the war years, the music of Broadway shows and other theater productions and important composers and lyricists. The author also explores the development of the fledgling recording industry at this time.

The Complete Lyrics of Oscar Hammerstein II Oscar Hammerstein II, 2008-11-25 From every beautiful mornin' to some enchanted evening, the songs of Oscar Hammerstein II are part of our daily lives; his words part of our national fabric. Born into a theatrical dynasty headed by his grandfather and namesake, Oscar Hammerstein II breathed new life into the moribund art form of operetta by writing lyrics and libretti for such classics as *Rose Marie* (music by Rudolf Friml), *The Desert Song* (Sigmund Romberg), *The New Moon* (Romberg) and *Song of the Flame* (George Gershwin). Hammerstein and Jerome Kern wrote eight musicals together, including *Sweet Adeline*, *Music in the Air*, and their masterpiece *Show Boat*. The vibrant *Carmen Jones* was Hammerstein's all-black adaptation of the tragic opera by Georges Bizet. In 1943, Hammerstein, pioneer in the field of operetta, joined forces with Richard Rodgers, who had for the previous twenty-five years taken great strides in the field of musical comedy with his longtime writing partner Lorenz Hart. The first Rodgers and Hammerstein work, *Oklahoma*, merged the two styles into a completely new genre: the musical play, and simultaneously launched the most successful partnership in American musical theater. Over the next seventeen years, Rodgers and Hammerstein wrote eight more Broadway musicals: *Carousel*, *Allegro*, *South Pacific*, *The King and I*, *Me and Juliet*, *Pipe Dream*, *Flower Drum Song*, and *The Sound of Music*. They also wrote a movie musical, *State Fair*, and one for television, *Cinderella*. Collectively, their works have earned dozens of awards, including Pulitzers, Tonys, Oscars, Grammys, and Emmys. Throughout his career, Hammerstein created works of lyrical beauty and universal feeling, and he continually strove, sometimes against fashion, to seek out the good and beautiful in the world. I know the world is filled with troubles and many injustices, he once said. But reality is as beautiful as it is ugly. I just couldn't write anything without hope in it. All of his lyrics are here: 850 more than a quarter published for the first time in this sixth book in the indispensable *Complete Lyrics* series that has also brought us the lyrics of Cole Porter, Lorenz Hart, Ira Gershwin, Irving Berlin, and Frank Loesser. From the young scribe's earliest attempts to the old master's final lyric, *Edelweiss*, we can see, read, and yes, sing the words of a theatrical and lyrical genius.
