When Mans Single J Barrie:

Illustrated Catalogue of Books, Standard and Holiday McClurg, Firm, Booksellers, Chicago, 1903 *A Man of Parts*
David Lodge, 2012-11-27 A riveting novel about the remarkable life and many loves of author H G Wells H G Wells author of
The Time Machine and War of the Worlds was one of the twentieth century s most prophetic and creative writers a man who
immersed himself in socialist politics and free love whose meteoric rise to fame brought him into contact with the most
important literary intellectual and political figures of his time but who in later years felt increasingly ignored and
disillusioned in his own utopian visions Novelist and critic David Lodge has taken the compelling true story of Wells s life and
transformed it into a witty and deeply moving narrative about a fascinating yet flawed man Wells had sexual relations with
innumerable women in his lifetime but in 1944 as he finds himself dying he returns to the memories of a select group of
wives and mistresses including the brilliant young student Amber Reeves and the gifted writer Rebecca West As he reviews
his professional political and romantic successes and failures it is through his memories of these women that he comes to
understand himself Eloquent sexy and tender the novel is an artfully composed portrait of Wells s astonishing life with vivid
glimpses of its turbulent historical background by one of England s most respected and popular writers **Catalogue of

Magazine** , 1897 *Host Bibliographic Record for Boundwith Item Barcode 30112088797565 and Others* , 1897 *H.G.
Wells and the Short Story* J. Hammond, 1992-09-15 H G Wells is justly famous as a writer of short stories but for too long the
originality of his contribution in this field has been unacknowledged The present study argues that in his short stories Wells
was not simply emulating the styles and themes of his predecessors but making a distinctive contribution to the genre
grounded firmly in his approach to fiction The study demonstrates that Wells s short stories merit far closer critical attention
than they have yet received and possess considerable psychological and symbolic insight **Every where ... Will**
