When Religion Is An Addiction

Leo Booth

When Religion Is An Addiction:

When Religion Is an Addiction Robert N. Minor, 2007 When Religion is an Addiction first asks us to change our understanding of the radical religious right to consider it in a new light so that we can do something that will first of all ensure the health of those outside the addiction and secondly end our own activities that are part of the dynamics that further the religious right wing Chapters two through seven set out the new understanding of many in the religious right wing and how it explains what we've been seeing in social issues and politics The ultimate goal is not only to set forth a way to understand the problem but also to point to solutions Chapter one sets the tone for that by calling us to stop arguing about religion in general The recent spate of books that defend atheism what Time magazine has labelled an atheist literary wave are a welcome alternative voice in American religious dialogue They also encourage such arguments and soothe the atheist choir while providing further opportunities for the right wing to use religion for its accompanying feeling of righteousness Chapter eight discusses practical guidelines for dealing with people who use religion as their addiction People in Dr Minor's workshops have already found these guidelines helpful reassuring and empowering *The Addiction of Religion* Kendra Foy, 2020-09-21 The Karl Marx called religion The opiate of the masses The Addiction of Religion is a journey into the exploration of how religion shapes our lives It is a moving view into religion from the perspective religion as an addiction It raises the question are we addicted to religion Are we holding on to fallacies that our parents learned from their parents Where does the LGBTQ community fit into the scope of religion How do I find acceptance and my soul's true identity in the universe Can all of the other religions that are not my own really be wrong What if everything they taught me about religion isn't even real The Addiction of Religion takes a candid look at several religious points of view to see their similarities and their differences Look to understand how the addiction to religion starts and grows with us as we grow into adulthood Read compelling personal accounts from all walks of life about their individual journeys with religion The Recoverist bears her soul in this book of discovery about who we are as God God is living through us in the journey to know The Recoverist bears her soul in this book of discovery about who we are as God God is living through us in the journey to know Itself She offers the questions the debates and answers to many of the topics that philosophers have studied for all time She is not afraid to challenge conventional religion and to dissect it at its core She examines the idea of morality sexuality and spirituality with unabashed candor This book will challenge everything you were ever taught to believe *Religious Addiction, Mental Health and Spirituality* Regina Pinto-Moura, Regina Johnson, 2008-06 The most destructive Frankenstein was created in the name of God among Brazilians in Somerville Massachusetts An unhealthy faith system it was established As a result many Brazilians may not trust any authority They are becoming unable to discern who supports their integrity and who not Visibly the mental health of some religious leaders became an issue The questions that arise at the intersection of faith and mental illness are not easily answered It is impossible to deny the damage caused by some leaders around the Boston greater area

Faith has been destroyed lives have been lost and an entire generation has been spiritually emotionally and psychologically mutilated This book represents an action to take responsibility before God and the second generation of Brazilians in the United States In order to understand the reasons behind this process of deconversion the challenge is to consider some aspects of religious addictions mental health and spirituality The Brazilian community has been diagnosed with a spiritual tumor This illness has the potential for causing isolation Unless addressed this sense of isolation and unproductive faith can be ongoing Many of the Brazilians feel that their faith has been stolen and it s time to take it back Authentic accountability with each other could be the very thing that re ignites our passion for Christ and His kingdom Rev Dr Regina Pinto Moura The Rev Dr Regina Pinto Moura pastors the Shalom International Baptist Community in Somerville Massachusetts She also serves side by side with her husband the Rev Dr Jota Moura Rocha Ordained in Massachusetts in 2003 Regina earned a Masters in Counseling Psychology and Addiction from Cambridge College Cambridge MA She has a Doctorate from Gordon Conwell Theological Seminary for her studies in Ministry in Complex Urban Settings

When God Becomes a Drug Leo Booth,1991 Father Leo Booth nationally renowned spokesperson on recovery issues reveals a startling picture of millions of people living dysfunctional lives through their religious addiction Father Booth offers a clear cut program giving readers practical ways to overcome excessive devotion and attain healthy spirituality

Toxic Faith Stephen Arterburn,Jack Felton,2011-04-13 Experiencing Healing from Painful Spiritual Abuse When religion becomes a means to avoid or control life it becomes toxic Those who possess a toxic faith have stepped across the line from a balanced perspective of God to an unbalanced faith in a weak powerless or uncaring God They seek a God to fix every mess prevent every hurt and mend every conflict Toxic Faith distinguishes between a healthy faith and a misguided religiosity that traps believers in an addictive practice of religion It shows how unbalanced ministries misguided churches and unscrupulous leaders can lead their followers away from God and into a desolate experience of religion that drives many to despair Toxic Faith shows readers how to find hope for a return to genuine healthy faith that can add meaning to life In the words of the author I want to help you throw out that toxic faith and bring you back to the real thing

Interreligious Curriculum for Peace Education in Nigeria Isaiah Ekundayo Dada,2019-04-18 Nigeria a country under a military regime for several years transitioned to a civilian regime in May 1999 Since this change violent conflicts between Christians and Muslims have continued to erupt They constitute one of the gravest dangers facing Nigeria a country with a population of 189 million people What have Nigerian religious leaders done about this situation especially in educational circles Have they received formal educational training to understand the causes of this violence and especially how to provide alternatives for more peaceful relations within Nigeria Does the current educational system in Nigeria provide the main ingredients for the promotion of a culture of peace The absence and neglect of interreligious peace education as part of a peace education core program and the lack of an interreligious curriculum for peace education in the training of religious leaders are the two problems contributing towards

the lack of effectiveness of religious leaders in promoting less violent and more peaceful living The solution to the problem is proposed in this book entitled *Interreligious Curriculum for Peace Education in Nigeria* The book develops a one year curriculum building on Yoruba Islamic Christian conceptions of peace and teaches how to create safe caring spiritual peaceful and successful interfaith relationships between all Nigerian religious communities In the long term the book helps to educate religious leaders to contribute in themselves and with the help of their respective religious communities to reducing the growing religious violence in Nigeria *Spiritual Sobriety* Elizabeth Esther,2016-04-19 It s easy to get high on God in America But is this good religion In a compelling follow up to her memoir *Girl at the End of the World* Elizabeth Esther explores how religious fervor can become religious addiction The evidence is everywhere In families who inexplicably choose to harm their children in order to abide by cultic church doctrine But in ordinary believers too who use God the same way addicts use drugs or alcohol to numb pain alter their mood or simply to escape the realities of this messy unpredictable thing called life If you ve ever wondered how a religion that preaches freedom and love can produce judgmental and unkind followers if you ve ever felt captive to the demanding God of your own childhood if you ve struggled to find contentment without needing another emotional hit from a life changing conference or mountain top experience then *Spiritual Sobriety* is for you The author who grew up in a hyper controlling church cult will help you find hope and rebirth in the ruins of disillusioned faith Filled with stories and warm practical advice *Spiritual Sobriety* offers a gentle path out of the desperate cycles of craving euphoria hangover and into a freer clean and sober faith practice *Awakening from the American Dream* Master Charles Cannon,Will Willkinson,2014-03-11 *Awakening From The American Dream From Crisis To Consciousness* is an expose of the American Dream as illusory enculturation It is a call to awakening to true reality in which happiness is not something to be pursued but rather innately experienced as one s birthright The book invites readers to wake up from the American Dream rather than trying to make it work or creating a new dream A dream is a dream it can never be reality Part One focuses on the initial stages of awakening beginning to question Dream beliefs like the pursuit of happiness if you re chasing it you don t have it Part Two uses the Socratic Method to question popular myths about life in America relative to twelve specific areas of life like the economy health marriage religion etc Readers are invited to challenge their own convictions and open to new possibilities Part Three is about what it is like to live wide awake taking personal responsibility for the reality you create and being a leader by example for others *Second Thoughts* Janet M. Ruane,Karen A. Cerulo,2019-06-06 Is it true that numbers don t lie Is America the land of equal opportunity Is marriage a dying institution Each of the 23 essays in *Second Thoughts* reviews a familiar conventional wisdom and introduces relevant sociological concepts and theories in order to explain qualify and sometimes debunk that conventional wisdom *Religion, Spirituality, and Positive Psychology* Thomas G. Plante Ph.D.,2012-07-19 A multidisciplinary team of scholars shows how spiritual and religious practices actually do power psychological physical and social benefits producing stronger individuals and healthier

societies In recent years scholars from an array of disciplines applied cutting edge research techniques to determining the effects of faith Religion Spirituality and Positive Psychology Understanding the Psychological Fruits of Faith brings those scholars together to share what they learned Through their thoughtful evidence based reflections this insightful book demonstrates the positive benefits of spiritual and religious engagement both for individual practitioners and for society as a whole The book covers Buddhism Christianity Islam Judaism and other major traditions across culture in two sections The first focuses on ways in which religious and spiritual engagement improves psychological and behavioral health The second highlights the application of this knowledge to physical psychological and social problems Each chapter focuses on a spiritual fruit among them humility hope tolerance gratitude forgiveness better health and recovery from disease or addiction explaining how the fruit is planted and why faith helps it flourish

When Religion Is An Addiction: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. When Religion Is An Addiction : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. When Religion Is An Addiction : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. When Religion Is An Addiction : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

When Religion Is An Addiction Introduction

In the digital age, access to information has become easier than ever before. The ability to download When Religion Is An Addiction has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download When Religion Is An Addiction has opened up a world of possibilities. Downloading When Religion Is An Addiction provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate

access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading When Religion Is An Addiction has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download When Religion Is An Addiction. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading When Religion Is An Addiction. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading When Religion Is An Addiction, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download When Religion Is An Addiction has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
