When the Enemy is Already Inside Dr. D. K. Olukoya, 2013-12-20 When the Enemy is Already Inside Adam and Eve were tempted from the outside Since then however the tempter no longer dwells outside but rather on the inside of man When the enemy is already inside there is no place of refuge but the cross of Christ where the enemy can be flushed out Do not give room to the enemy if you want the enemy expelled from the inside Setting the Captives Free Ben Nebechukwu, 2013 There are so many captives in the world today Many people are prisoners in so many ways be it economically physically emotionally or mentally Some people were born into captivity through their generation line or others led themselves into bondage through their lifestyles There are so many brilliant university graduates who roam streets for years without a job in sight or a viable project to their name There are so many men and women who earn good sums of money but have nothing to show for it There are also many beautiful women and handsome men struggling to keep a relationship This book Setting the captives free is written for people who want to experience freedom without limit In this book we shall look at The mystery of captivity Liberty without freedom Forms of captivity The ministry of spiritual violence Understanding deliverance Welcome to your life of freedom **The Gate of your Life** Dr. D. Cinema, State Socialism and Society in the Soviet Union and Eastern Europe, 1917-1989 Sanja Bahun, John Haynes, 2014-07-25 This book presents a comprehensive re examination of the cinemas of the Soviet Union and Central and Eastern Europe during the communist era It argues that since the end of communism in these countries film scholars are able to view these cinemas in a different way no longer bound by an outlook relying on binary Cold War terms With the opening of archives in Eastern Europe and the former Soviet Union much more is known about these states and societies at the same time the field has been reinvigorated by its opening up to more contemporary concepts themes and approaches in film studies and adjacent disciplines Taking stock of these developments this book presents a rich varied tapestry relating specific films to specific national and transnational circumstances rather than viewing them as a single monolithic Cold War Communist cinema **Search the Scriptures Babylon and the Endtimes 2** Dr. D. The Keep Roger Taylor, 2011-12-01 Isolated and deep in the mountains the Keep is a disturbing place Why would the New Order want it and for what But you didn't ask questions the way things were You kept your head down and did as you were told Just do your job Josyff kept reminding himself Yet there were strange problems with his work and dreams and him and the building itself massive yet somehow changing And when the authoritarian Adroyan arrived at the Keep together with his nemesis Esyal things became even stranger pushing Josyff to the edge of his sanity *Livy: book vi, ed. by W.F.
