When Will Jesus Be Enough Reclaiming The Power Of Worship:

When Will Jesus be Enough? Derek Joyce, Mark Sorensen, 2008 Jesus is the purpose and central message of worship In this postmodern era the church finds herself struggling to be heard amidst a myriad of cultural voices where bigger is better and where the hurting and confused just want to feel good Joyce and Sorensen remind us that if people do not see the power of God in churches they will seek the power of another god elsewhere As Jesus showed the woman at the well we have to show people in their own language that their deepest thirst can only be quenched by living water This book will help your church reclaim the power of worship through praise prayer study and Communion Included are original lyrics and service ideas that can be used in both traditional and contemporary worship settings including Sunday morning youth meetings and retreats The book also provides links to the authors websites where you can share ideas and feedback Read the Introduction

Recovering Communion in a Violent World Christopher Grundy, 2019-11-15 The act of breaking and eating a body in Holy Communion forms us over time What if that s not such a good thing Recovering Communion in a Violent World provides an unblinking examination of the ritualized reenactment of the violence done to Jesus in Holy Communion using insights from the fields of ritual studies and trauma theory Then drawing upon recent research in Christian origins the book raises possibilities for sacramental meal practices that don t ignore the death of Jesus but respond to it differently Rather than colluding with systems of violence these alternative practices respond to violence in our world by continuing to collaborate with the persistence and resilience of God as well as with the realm of God still coming near The result is a groundbreaking exploration that is both unflinching in its critique and passionate in its argument for the place of renewed Christian meal

practices In an era when world religions have come under greater scrutiny as sources of violence this book asks readers to look squarely at the reenactment of violence that has come to narrowly define Holy Communion for so long and to imagine that more radical resistant sacramental meal practices are possible Religious Telescope ,1902 *Seeking Allah, Finding Jesus* Nabeel Qureshi,2018-08-21 NEW YORK TIMES BESTSELLER 2015 Christian Book Award winner Nabeel Qureshi describes his dramatic journey from Islam to Christianity in this expanded edition with new bonus content and reflections My friend Nabeel Qureshi was courageous enough to chase down the truth with intellectual integrity no matter the personal cost Lee Strobel bestselling author of *The Case for Christ* Providing an intimate view into a loving Muslim home Qureshi shares how he developed a passion for Islam before discovering almost against his will evidence that Jesus rose from the dead and claimed to be God Unable to deny the arguments but not wanting to deny his family Qureshi struggled with an inner turmoil that will challenge Christians Muslims and all those who are interested in two of the world s greatest religions and the quest for truth Qureshi with great courage and intimacy wrote this book with three major purposes in mind To tear down walls between two of the world s major religions by giving non Muslim readers an insider s perspective into a Muslim s heart and mind To equip the reader with facts and knowledge showing the strength of the case for the gospel contrasted with the case for Islam To portray the immense inner struggle of Muslims grappling with the gospel including all the sacrifices and doubts that rise up along the way *Seeking Allah Finding Jesus* is more than the memoir of a man s pursuit of answers to the most important issues of life and faith Ultimately it s the story about the transformative grace and mercy of the one true God This edition has been expanded to include A revised foreword and introduction A new afterword by apologist Mark Mittelberg and a reflection by Nabeel s wife A substantially extended epilogue that shares how Nabeel told his friend David of his decision to follow Christ how his parents found out and more Expert contributions from scholars and ministry leaders on each section of the book contributions previously included only in the ebook edition An appendix with a topical table of contents for teaching from *Seeking Allah Finding Jesus* An appendix tackling the objection that Ahmadi Muslims the Islamic movement that Qureshi was raised in are not true Muslims And a sneak peek prologue from Nabeel s book *No God but One Allah or Jesus*
