McRay, 2015-12-09 Myriad works discuss forgiveness but few address it in the prison context For most people prisoners exist out of sight and out of mind Their stories are often reduced to a few short lines in news articles at the time of arrest or conviction But what happened before in the lives of the convicted What has happened after How have people in prison dealt with the harm they have caused and the harm they have suffered What does forgiveness mean to them What can we outsiders learn about the nature of forgiveness and prison from individuals who have both dealt and endured some of life's most painful experiences Expanding on his MPhil dissertation *Echoes from Exile with Distinction* from Trinity College Dublin Michael McRay's important new book brings the perspectives and stories of fourteen Tennessee prisoners into public awareness Weaving these narratives into a survey of forgiveness literature McRay offers a map of the forgiveness topography At once storytelling academic activism and cartography McRay's book is as necessary as it is accessible There is a whole demographic we have essentially ignored when it comes to conversations on forgiveness What would we learn if we listened

McRay, 2018-02-06 Tony Vick is serving two life sentences for murder After nearly twenty years in prison Tony has literally taken to the pen to document firsthand what life is like behind bars This book handwritten by Tony and later transcribed by outside friends indirectly challenges the reader to engage prison reform as one of the most important social issues of this generation wondering if society can shift its emphasis from retribution to rehabilitation Tony's new book describes the violent even horrific incidents that occur in prison incidents mostly hidden in the shadows away from public awareness It tells you the stories that those invested in incarceration would rather remain secret As captivating as it is timely *Secrets from a Prison Cell* shortens the distance between those outside and inside prison walls Through personal stories essays and poetry Tony Vick's book pulls back the curtain on a world invisible to most people dramatically revealing the realities of life in prison and the power of love to fight dehumanization For Tony writing this book has never been about money but about the message Any proceeds from sales of the book will be donated to the No Exceptions Prison Collective a non profit organization that advocates for prison reform <https://noexceptions.net> No Exception's mission is furthered by its very name referencing the 13th Amendment to the U S Constitution that abolishes slavery except for those incarcerated in our nation's prisons Slavery still exists in America
