Where The Windwalk Begins:

Windwalker Elaine Cunningham, 2011-08-23 As Liriel and Fyodor navigate the surface world to deliver a magical artifact the drow elves beneath their feet plot revenge Crossing the wide realms of Faer n in search of adventure the dark elf princess Liriel Baenre and her companion Fyodor find themselves in the barbarian s homeland of Rashemen They come bearing the Windwalker amulet though the gift of a magical artifact does not guarantee a warm welcome especially when it s carried by a drow elf In this land ruled by witches Liriel must disguise herself lest she spark the people s hatred of dark elves Yet from the deep tunnels of the Underdark eyes glittering with malice are watching her every move preparing for vengeance And chief among them is the dark goddess who Liriel still unwittingly serves **Windwalker's Mate** Margaret L. Carter, 2023-05-01 Shannon s little boy Daniel has disturbing psychic powers He talks to the wind and it listens All Shannon wants is a normal life She wants to forget the cult of the Windwalker a dark god from another dimension and the terrifying night when her child was conceived But her first love Nathan son of the cult leader contacts her for the first time since that horrific ceremony He claims his father is stalking Shannon and Daniel Whose child is Daniel Nathan s or the Windwalker s Nathan s father plans to use Daniel to open a gate between dimensions and unleash chaos on our world To save her child and become reconciled with her first love Shannon must embrace the strange powers she has rejected Windwalker Sharon Sala, 2019-09-05 A beautiful red feather warrior must save her people from destruction in this Native American paranormal romance by the New York Times bestselling author Layla Birdsong first meets the Windwalker on the streets of contemporary New Orleans and her life is forever changed She is a red feather warrior and he a spirit of immense wisdom and power Their love burns with the intensity of a thousand suns and their lust is unquenchable Together they must save their people from extinction and fulfill an ancient prophecy With the Firewalker a meteor approaching earth time is running out Layla Birdsong must gather her people and journey to a place where they can begin anew by changing the past in ways that will give them a new future First published in 2013 Windwalker is the first book in the Prophecy Trilogy and was originally written under the pen name Dinah McCall *The Healing of Windwalker A Story of Love, Hate and Redemption* Donald L Chadd, 2021-03-25 At six years of age the orphaned Windwalker a k a Walker is given to LDS Placement Services by the Navajo Indian tribe to be placed with an adoptive LDS family In the loving and Christ centered environment his foster home provides Walker matures physically mentally and spiritually As the years pass and Walker turns fifteen he and his foster family anxiously await the necessary tribal consent for his adoption to take place During this time Walker has a vision in which he sees himself entrusted with the responsibility of getting an urgent message to his people He is to tell them that they will not become a great nation until they lay down the false traditions of their fathers and take up the true traditions of the ancient ones As Walker prepares mentally and spiritually for his mission and for the long awaited adoption he is unaware of the forces working against him and his family to prevent the adoption When Walker finds out who is responsible he puts

together a diabolical plan to get revenge With a hate filled heart and his vision all but forgotten he executes his plan and his life spirals out of control When Walker discovers he is dying he knows he has reached the point of no return He is grief stricken as he realizes that he has failed not only God but his beloved family and his people He is afraid there is no hope for him either in this life or in the next so he goes to live alone on a mesa to pray for forgiveness and to await his impending death Can Walker ever be forgiven for what he has done Will Walker s urgent message to his people ever be delivered

Windwalker H.G. Chambers, In the heart of the ancient desert lies a secret Not one concealing jewels treasure or even an ancient tomb but an entire people hidden for a thousand years among the stony buttes and mesas For sixteen years Kiva has grown up climbing those buttes hunting poisonous lizards and learning to fight with her two older brothers But all of that is about to change The Proving Ceremonies are around the corner and with them comes the pressure to choose a profession befitting a female But Kiva an outspoken youth whose mouth lands her in trouble as often as not has never been one for tradition Her eyes are ever turned upward hoping to glimpse one of the deadly four winged raptors that scour the desert skies It is upon their backs that the windwalkers ride keeping watch over her people But women are strictly forbidden from joining the windwalker sect What s more the flying predators are said to kill any female attempting to bond them With stubborn determination Kiva formulates a bold plan that is as likely to leave her exiled or dead as it is to succeed But this is only the beginning of the dangers she will face When signs of an ancient enemy appear upon the plains a threat arises that will soon bury them all in a tomb of sand and stone unless she can stop it **Windwalker** Donna Sundblad,2024-07-23

Hundreds of years ago despite prophetic warnings the Stygians welcomed the disease riddled Jonnick to their shores offering the new beginning they sought But amid the refugees was one cursed who harbored the dark powers of the Magestone resulting in sickness and death and creating strife and division between the two cultures Years later those hoping to end the conflict turn to Stygian ancient oracles that foretell the uniting of the land Jonnick Queen Riona filled with paranoia issues royal decrees designed to thwart the coming of the Stygian Arich and his Augur In the present day social outcast Manelin and a lame Jonnick girl Jalil are thrust into the middle of unfolding ancient prophecies and a world on the verge of annihilation An epic fantasy adventure Donna Sundblad s WINDWALKER is a journey full of discovery set in a richly woven fantasy world **Windwalker** Sabrina Flynn,2020-08-14

I thought I was used to bad things happening Until I ended up dead Red makes a humble living in the fog and muck of Bedlam as a cat burglar But when a job goes wrong she attracts the attention of a malevolent assassin Death comes calling and her life is turned upside down Red is pulled into a raging war in the Above her father is missing and worse yet the children of Bedlam are disappearing Hunted at every step it s up to Red to discover their fate and confront her own mysterious past But some secrets should remain buried And the dark should be left alone A thrilling Gaslamp fantasy with a strong female lead sky pirates and elementals set in the realm of imagination itself
