Guide for the Christian Perplexed Thomas P. Power,2012-01-13 Thoughtful Christians are legitimately perplexed by a  
number of issues relating to the church s belief and practice They are perplexed partly because they recognize that the  
issues themselves are thorny and partly because they are not sure how to test the mutually inconsistent theories and  
explanations affirmed by diverse voices speaking with equal assurance Most Christians find relatively little occasion or  
encouragement to address their perplexities with intellectual candor and integrity If they dare to acknowledge their  
theological perplexities at all they are too often told that these perplexities are unimportant or that they can be answered  
very simply or that they should be left to the experts Guide for the Christian Perplexed written by members of the faculty of  
Wycliffe College Toronto aims to explore a diversity of issues and questions to do with our knowledge of Jesus othe meaning  
of suffering othe function of doctrine othe understanding of Scripture othe place of other religions othe challenge of atheism  
othe pleasures and complications of sexuality othe nature of worship othe way to evangelize ounderstanding who our  
neighbor is locally and globally odiversities of spirituality Here you will find thoughtful reflections and answers to the  
questions around these issues A study guide is included for individual and group use **God's True Guide to Everlasting**
