Why I Am A Christian

John Stott

Why I Am A Christian:

Why I Am a Christian John Jabez Lanier, 1914 **Why I Am a Christian** Frank Crane, 1924 **Why I Am a Christian** Ole Hallesby, 1964 **Why I Am a Christian** Norman L. Geisler, Paul K. Hoffman, 2006-12 Now with a new chapter on Why I Am Not a Muslim by an ex Muslim Why I Am a Christian is an even more helpful resource in our global times *Why I Am a Christian* John Stott, 2012-11-28 Why Jesus Perhaps you have had the funny feeling that God wants to get your attention Or maybe you re intrigued with what you ve heard about Jesus Or maybe you re simply looking for meaning and direction in your life John Stott has spent a lifetime wrestling with questions about Jesus both personally and in dialogue with skeptics and seekers around the globe Now in *Why I Am a Christian* he provides a compelling persuasive case for considering the Christian faith If you take an honest look at Jesus you will discover that following him gives you the purpose identity and freedom you ve been searching for and far more than you have ever imagined **Why I Am a Christian, Or A Few Reasons for Our Faith** William Edward Heygate, 1876 *Why I am a Christian* John Stott, 2021-04-28 In a dark little chapel many years ago a solitary schoolboy went in search of God and later gave his life to Christ It turned out to be the most significant decision he was ever to make If it were not for Christ he reflects his would have been on the scrapheap of wasted and discarded lives Instead his life has been used to lead countless others around the world to that same new life and into a deeper understanding of the One who gave his life that we might live Now John Stott tells his spiritual story and gives the reasons for his first life changing step of faith on the path he has followed since that day It was not so much that he found Christ as that Christ found him Not because the Christian faith is attractive but because it is true Not because he deserved to be saved but because Christ took his sins and ours on himself It is because the answer to the paradox at the heart of our humanness because the key to true freedom and fulfilment are to be found in Jesus Christ alone And he who extends the greatest of all invitations to each one of us waits patiently for our response *Why I Am a Christian* Frank Crane, 2013-10 This is a new release of the original 1929 edition *Why I Am a Christian* Norman L. Geisler, 2001 Finally the expertise of leading scholars and apologists of today are collected into one resource Each contributor provides a helpful bibliography for additional readings Chapters are arranged in a logical argumentative order to aid in breaking down intellectual obstacles of faith [Life Examined](#) Timothy J. Murray, 2022-02-17 How many of us take the time to try to make sense of our lives Or are we just so busy getting on with it we are in danger of missing what life is all about In this book Tim Murray argues that we all seek a reasonable faith an understanding of the world that can make sense of our experience as human beings In a series of short chapters he explores key aspects of our humanity and some of the big questions of life suggesting both that the Christian worldview provides the most plausible explanation of why life is meaningful and that the way of Jesus is the most reliable path to a meaningful life **Why I Am Not a Christian** Bertrand Russell, 1957 I am as firmly convinced that religions do harm as I am that they are untrue preface *I Am a Christian* Thom S. Rainer, 2022 When

we finally grasp who we are in Christ and what our participation means to the local church everything changes When Christians become committed church members the church becomes healthy When the church becomes healthy communities become healthy When communities become healthy the world can be transformed Cover **Why I am Still a Christian** Hans Küng,2005-11-06 Hans Küng 1928 is one of the most distinguished and widely acclaimed theologians of the twentieth century He has committed himself to a Christian Church full of life and freedom and humanity His ideas have been warmly received and appreciated by people throughout the world and have stirred the imaginations of Christians and non Christians alike But why have his ideas also met with such opposition and even outright hostility from many Church authorities And what does Hans Küng himself make of these personal attacks In this simple personal and often moving testimony Hans Küng describes his fundamental convictions and reveals why despite all the difficulties he has to face he is still committed to the Christian way What Hans Küng has thought experienced and expresses in this book will help others in their search for personal values and a sense of direction and also help them realise the unique value and importance of the Christian way

Why I Am a Christian Jr. Rev Henry Harlin,2014-09-16 Your search for meaning in your life is completed once you are introduced to Jesus From the beginning of creation God wanted you to have a relationship with Him through His Son God planned the details of this relationship and made it possible in your life All that is needed is for you to receive this life in Christ and believe He wants you in His family And ask Him to make you a member of His family God through His Holy Spirit works out everything else You will find your life tremendously purposeful and full Your life will take on new meaning as you live from day to day and you will have hope and purpose for all eternity as you learn to obey God's guidance in your life

Why I Am a Christian? Fraser Munro,2015-08-21 This booklet sets out the case for Christianity The author explains why he became a Christian and shows how Christianity is true and effective and Jesus Christ is the only Saviour Why Am I Still a Christian? Joseph A. Buijs,2021-03-12 Why am I a Christian Why is anyone a Christian or remain a Christian These questions can readily occur in our increasingly secular environment A prevalent mind set suggests that there is no point to being Christian that it is a cultural remnant of our upbringing a belief system out of step with enlightened thinking a moral code at odds with contemporary society Does it then still make sense to adhere to a Christian tradition Is it reasonable to be and remain Christian when atheistic criticisms imply otherwise A philosophical excursion explores these questions under the headings of Tradition Reason and Faith It critically discusses the what and the why of being Christian It differentiates explaining how we may have acquired faith and Christian commitment from justifying why it may nevertheless be reasonable to have faith and to remain Christian A personal narrative shows how approaches to these questions changed over the course of the author's personal life and academic career teaching philosophy Why am I or why is anyone a Christian Because as the author concludes it can be a reasonable choice to adopt and retain a Christian faith commitment Why I Am a Seventh-Day Adventist Christian David E.
