Tales of the Endless Mountains Adell Farley Harvey, 2011-06-07 A young professional family from the Midwest follows God's call to minister in a poverty pocket in northern Appalachia where their expectations run headlong into the reality of mountain culture Quirky characters outhouses horning parties cow riding quilting bees maple sugaring they all become part of the fascinating daily life of the Farleys as they work to rebuild a struggling church in a quaint hamlet of Riggs Pennsylvania Nothing thrills me more than stories of God working in big ways in small places This is why *Tales of the Endless Mountains* is such a treasure Every page contains riveting adventure humor and wisdom all proclaiming God's amazing grace and power It almost reads like a fictional account How could real life in a country church be so dramatic Woven into the tales you will find boat loads of encouragement challenges to enlarge your faith and superb ministry insights in fact more and better advice than many books written expressly for that purpose which qualifies it for a ministry primer And I am pleased that it all happened during the Farleys years of exemplary service with RHMA Dr Ron Klassen Executive Director Rural Home Missionary Association *The Living Church*, 1958 **It Worked For Us** Judy Comstock, 2011-12-01 Need help from someone who has actually been there and done that This comprehensive guide provides the all the information you need to plan and implement a complete ministry with children of all ages Produced in partnership with the International Network of Children's Ministry this guide features numerous articles written by experienced children's workers The enclosed CD ROM makes it easy to access and customize forms This one source guide covers multiple topics from safety concerns and technology to spiritual formation Ideal for children's pastors educators and leaders whether paid or volunteer **The Best VBS Workbook Ever!** Lisa Brown, 2017 Enables organizers to envision and implement a VBS program customized for the local church Practical comprehensive from the ground up approach to VBS Designing a Vacation Bible School program as opposed to choosing one of the many off the shelf packages is a labor of love It considers the unique perspective of children and invests accordingly It's a home cooked meal compared to fast food It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time Well designed VBS programs speak to children with respect love and patience offering opportunity for authentic spiritual growth not to mention an intentional theology that is reflective of the church Finally custom designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts This book provides Christian educators with the tools they need to assess the needs and resources in their congregation and to craft a creative program in response to that assessment The Best VBS Workbook Ever offers direction and suggestions on theme structure logistics program activities staffing and promotion Audience Episcopal and other mainline churches looking for something more original and thoughtful than typical pre packaged VBS programs Directors of Christian Education Directors of Children's Ministry Camps and Retreat Centers FORMA Kanuga Christian Education conference eFormation network Vacation Bible
