Vedic Astrology Ronnie Gale Dreyer, 1997-05-01 Vedic or Jyotish astrology has its roots in Indian and Hindu culture making it markedly different from its Western counterparts The author of this book explains how it can be used and how it shouldn't be used in this introduction Complete instructions easy to understand Charts Glossary Bibliography Index

Vedic Astrology Ronnie Gale Dreyer, James Braha, 2005-01-01 This is a book that I would recommend to anyone who is thinking of learning Vedic Astrology Congratulations Ronnie on a job well done I would recommend this book to the newcomer to vedic astrology a worthy contribution to the limited although expanding number of vedic books A dazzling tour de force on a topic that needs elucidation for modern astrologers Readers thinking about taking a dip in the ocean on vedic astrology will find this book an excellent place to wade in Vedic veterans will benefit from Ronnie's valuable new material on planetary combinations Vedic Astrology Ronnie Gale Dreyer (foreword by James Braha.), 2000 Vedic Astrology

Discover Press, 2021-07-09 If You Feel Like You've Been Stuck in the Same Mundane Unproductive or Self Destructive Patterns Year After Year Then Keep Reading Have you always wondered why your life feels like it's in a constant loop Do you wish something would impact your life and change it for the better Are you looking for ways to change things up so you can finally take control of your destiny If you said YES to any of the questions above you may benefit from using the power of Vedic Astrology to decipher your next steps Vedic astrology also known as Jyotish in India can be a powerful treasure trove of insights and revelations about what's in store in your daily life It is the belief that everything that you do in life is influenced by the positions of the stars and planets on the day you were born Vedic astrology asserts that you are born in alignment with karmic justice and judgment In that exact moment your karma is written out into the stars This belief has driven people to look to the skies for thousands in order to decipher their karmic workings and understand why their lives work the way that they do But how to unlock this complex tool In Vedic Astrology A Beginner's Guide to the Fundamentals of Jyotish and Hindu Astrology by the go to resource for all things related to spiritual growth Discover Press you will unearth all the secrets of the stars and planets and figure out what they have in store for you Words of Destiny Caterina Guenzi, 2021-03-01

Astrologers play an important role in Indian society but there are very few studies on their social identity and professional practices Based on extensive fieldwork carried out in the city of Banaras Words of Destiny shows how the Brahmanical scholarly tradition of astral sciences jyotiṣtra described in Sanskrit literature and taught at universities has been adapted and reformulated to meet the needs and questions of educated middle and upper classes in urban India How to get a career promotion How to choose the most suitable field of study for children When is the best moment to move into a new house The study of astrology challenges ready made assumptions about the boundaries between science and superstition rationality and magic Rather than judging the validity of astrology as a knowledge system Caterina Guenzi explores astrological counseling as a social practice and how it works from within for both astrologers and their clients She examines the points of view of

those who use astrology either as a way of earning their living or as a means through which to solve problems and make decisions concluding that because astrology combines mathematical calculations and astronomical observations with ritual practices it provides educated urban families with an idiom through which modern science and devotional Hinduism can be subsumed

Essentials of Vedic Astrology Komilla Sutton, 1999-01-20 The most comprehensive book to date on the use and understanding of the Lunar Nodes in Vedic astrology The author is a widely known and immensely respected teacher with students all over the world She has used her experience of working with the nodal axis to show how by sign and placement they affect every level of our spiritual existence Students of astrology yoga and ayurveda will find this book particularly helpful
