What Not To Expect A Meditation On The Spirituality Of Parenting:

What Not to Expect Keith Frome, Keith W. Frome, 2005 Dr Frome takes readers through dozens of things families experience every day winning and losing eating falling down and he shows how each of these things catch people off guard

Meditation Mentorship Ministry that Teaches Self-Control to Improve Parent-Child Relationships in Korean Immigrant Families JC Ed Choi, 2022-12-05 My mentoring service was provided to Korean immigrant parents in pastoral settings for the purpose of helping them renew their family spirit and strengthen their relationships with their Canadian raised children Both Jean Guy Nadeau's pastoral praxeology and Richard Osmer's four main tasks were adopted as guideposts since the nature of this project incorporated pastoral ethical and practical theological The empirical descriptive task of observation includes data collection analysis and interpretation within the framework of the research design and plan The research findings indicate that conflicts between parents and children diminish family spirit within Korean immigrant families The interpretive task problematizes the research findings by performing contextual analysis and draws on theories of human sciences to show how Korean immigrant families are affected by the traditional Korean value system founded on Confucianism Buddhism and Taoism The normative task of theological interpretation presents how Christian virtues evangelical qualities of relationships and ethical norms and teachings of the Church can become incorporated into the lifestyles of Korean immigrant parents who wish to live in harmony with their children and renew their family spirit in full accordance with the Gospel The pragmatic task of operational re-elaboration implements a ministerial solution formulated on theoretical and spiritual interpretations that are concerned with how the mentoring service can be used to cultivate Christian virtues in Korean immigrant parents teach them self control practice and strengthen their relationships with their children *Expecting Miracles* Chana

Weisberg, 2004 *Expecting Miracles* is a collection of refreshingly honest and inspiring interviews with traditionally observant Jewish mothers about their diverse experiences of pregnancy and childbearing It is about the ways in which mothers have managed to make these important stages in their lives into a time for personal growth spirituality and real life miracles

Understanding Spirituality and living it 24x7: Real Questions, Rational Answers Ramesh Bijlani, 2025-06-30 From being a fashionable substitute for religion to a sophisticated synonym for being a good person and many things in between spirituality can mean anything But what does it really mean Why should we know what it really means Is spirituality mere intellectual entertainment Isn't it enough to be a good person and let rationality guide life *Understanding Spirituality and living it 24 x 7* answers all these questions and more in a language that is clear simple and easy to understand Using examples from everyday life it shows how spirituality can bring joy peace and fulfillment to individuals as well as make the world a better place to live in Nurturing Child and Adolescent Spirituality Karen-Marie Yust, 2006 *Nurturing Child and Adolescent Spirituality Perspectives from the World's Religious Traditions* provides a forum for prominent religious scholars to examine the state of religious knowledge and theological reflection on spiritual development in childhood and adolescence

Featuring essays from thinkers representing the world's major religious traditions the book introduces new voices challenges assumptions raises new questions and broadens the base of knowledge and investment in this important domain of life It specifically and intentionally focuses on theological and philosophical perspectives from within religious traditions creating space for the religious traditions to find their voices Nurturing Child and Adolescent Spirituality is firmly grounded in the language and priorities of religious studies and helps stimulate explorations of whether and how religious communities are tapping their own wisdom and strengths in nurturing today's young people in a complex and changing world Nurturing Child and Adolescent Spirituality will set the stage for new waves of scholarship and dialogue within and across traditions disciplines and cultures that will enrich understanding and strengthen how the world's religious traditions and others understand and cultivate the spiritual lives of children and adolescents around the globe

The Publishers Weekly, 2009

The British National Bibliography Arthur James Wells, 2005

Society without God, Second Edition Phil Zuckerman, 2020-07-21 An updated edition showcasing the social health of the least religious nations in the world Religious conservatives around the world often claim that a society without a strong foundation of faith would necessarily be an immoral one bereft of ethics values and meaning Indeed the Christian Right in the United States has argued that a society without God would be hell on earth In Society without God Second Edition sociologist Phil Zuckerman

challenges these claims Drawing on fieldwork and interviews with more than 150 citizens of Denmark and Sweden among the least religious countries in the world he shows that far from being inhumane crime infested and dysfunctional highly secular societies are healthier safer greener less violent and more democratic and egalitarian than highly religious ones Society without God provides a rich portrait of life in a secular society exploring how a culture without faith copes with death grapples with the meaning of life and remains content through everyday ups and downs This updated edition incorporates new data from recent studies updated statistics and a revised Introduction as well as framing around the now more highly developed field of secular studies It addresses the dramatic surge of irreligion in the United States and the rise of the nones and adds data on societal health in specific US states along with fascinating context regarding which are the most religious and which the most secular
