What the Bible Says About God the Ruler Jack Cottrell, 2000-10-24 see cover What the Bible Says About God the Creator Jack Cottrell, 2000-10-24 The Grace of God, the Will of Man Clark H. Pinnock, 1989 The Grace of God the Will of Man A Case for Arminianism was written by an impressive team of evangelical scholars from many traditions This work carries on the ancient debate about the scope of God's saving purposes and the manner of his effecting salvation in human beings It defends the proposition that God is a dynamic personal Agent who respects the freedom he chose to delegate to his human creatures and relates sensitively to us in the outworking of his plans for the whole of history God is love and expresses his power by working salvation among us under conditions of genuine mutuality The contributors to this volume are Christian scholars who are eager to present this evangelical model as an alternative to deterministic theology They do not claim to have said the last word on the subject but want at least to keep the ball of theological discussion in play

God's Authority in Home, Government and the Bible John R. Rice, 1968 *Saved by Grace through Faith or Saved by Decree?* Geoffrey D. Robinson, 2022-04-07 This work addresses a topic of interest to many people who are seeking to better understand the Christian doctrine of salvation soteriology It is written to provide a systematic biblical and theological critique of a particularly popular perspective of this doctrine that has seen something of a resurgence in recent years namely Calvinism The book is structured around the so called five points of Calvinism commonly referred to by the acronym TULIP Total depravity Unconditional election Limited atonement Irresistible grace and Perseverance of the saints Following an initial chapter outlining the historical development of the doctrine each of the five points are examined in subsequent chapters Each point is described in the words of prominent Calvinist scholars key biblical texts purporting to support the doctrine carefully evaluated and a series of theological issues related to the point are raised and discussed **What the Bible Says About Sex** Jeremiah Cataldo, 2022-08-12 When it comes to sex the Bible is marred by inequality To address the consequences of that What the Bible Says About Sex asserts that modern perspectives on sexuality and gender should be separated from the more constraining historical views of traditional biblical interpretation What does the Bible say about sexuality How have traditions of biblical interpretation influenced our understanding of sex and gender What the Bible Says About Sex answers that and many other questions Not shy it analyzes why the Church claimed dominion over marriage while the female body remained a source of potential evil It wrestles with how sexuality is used not only in the past but also in the present to reinforce notions of honor and how it can be used to manipulate others Deftly it handles a discussion of semen as both profane and the seed of life It looks brazenly at the pornographic and the erotic passages of the Bible and how traditions of interpretation veiled them With the Bible frequently invoked to support arguments in the present age over the moral limits of sexuality and gender having a greater awareness of what the Bible says about sex and how it is and has been interpreted is critical now more than ever What the Bible Says About Sex is suitable for students scholars and the general reader with an
