The Handbook is divided broadly into four main sections: Vision and Practice, focusing on issues of philosophy, identity, and planning; the big issues of Jewish Education; Teaching and Learning, focusing on areas of curriculum and engagement; Applications, focusing on the ways that Jewish Education is transmitted in particular contexts, both formal and informal, for children and adults; and Geographical, focusing on historical, demographic, social, and other issues that are specific to a region or where an issue or range of issues can be compared and contrasted between two or more locations. This comprehensive collection of articles, providing high-quality content, constitutes a definitive statement on the state of Jewish Education worldwide, as well as through a wide variety of lenses and contexts.
