Whatever Happened To The Gospel:

Whatever Happened to The Gospel of Grace? James Montgomery Boice, 2009-04-01 Combines a serious examination of the state of today's church and a powerful solution reclaiming the gospel of grace found in the confessional truths of the Reformation. Though the Christian church has achieved a worldly sort of success big numbers big budgets big outreaches these are not good days for evangelicalism. Attendance is down and it is increasingly difficult to distinguish so-called believers from their non-Christian neighbors all because the gospel of grace has been neglected. In this work now in paperback the late James Montgomery Boice identifies what's happened within evangelicalism and suggests how the confessional statements of the Reformation Scripture alone Christ alone grace alone faith alone and glory to God alone can ignite full-scale revival. A church without these convictions has ceased to be a true church whatever else it may be he wrote but if we hold to these doctrines our churches and those we influence will grow strong.

Whatever Happened to the Gospel? R. T. Kendall, 2018 Respected author and theologian R. T. Kendall sounds a wake-up call for churches across the globe. Whatever Happened to the Gospel seeks to reacquaint you with the Gospel and reignite a passion in your heart to know more of God.

Whatever Happened to the Gospel? David Nicholas, 2010-06 Too many Christian leaders act as though the Gospel is not a topic worthy of discussion. They speak on the wonders of knowing Christ but never explain why a person needs Christ who Christ is and what Christ accomplished to make it possible for us to be given the gift of life with God. In Whatever Happened to the Gospel author Dr. David Nicholas addresses why the absence of Gospel teaching in a huge majority of modern evangelical churches is a problem and how to solve it. Citing the results of a LifeWay Research survey Dr. David Nicholas shows how the Bad News and the Good News of the Gospel is often left out of sermons and yet pastors still invite people to receive Jesus into their hearts. Whatever Happened to the Gospel uses Scriptural passages to explain the Bad and Good News in a way that cuts through the confusion that exists in the minds of many. The church at large is in sad shape today because many who call themselves Christians have no idea what they believe. This confusion can be resolved through sharing the Gospel and making the Gospel part of every message. Evangelism and true discipleship begin with a clear complete logical and sequential presentation of the Bad News and Good News. By following the lessons and examples presented in Whatever Happened to the Gospel believers are strengthened and empowered knowing they are part of the Lord's great eternal plan.
