The Forgotten Ones Tionne Rogers,2015-04-29 Even high class prostitute is better than this dullness I live in thought Julian before he left everything behind Poor uneducated low class the youth had all odds against him but his beauty and determination to get his way were his greatest capital A simple job for an eccentric and aloof man could prove to be mankind s greatest challenge

(Im)mobile Homes Earvin Charles B. Cabalquinto,2022 The home has been on the forefront of rapid economic political social and technological transformations for many individuals and families across the world As a country reliant on the exportation of human labor to sustain its national economy the Philippines exemplifies a valuable case study of the impacts of a globalized and networked society on the everyday dynamics of a transnational family arrangement Despite ranking among the heaviest Internet users in the world Filipino citizens are often left with no choice but to navigate digital and transnational environments orchestrated by the uneven distribution of both national and international resources and opportunities Im mobile Homes investigates the role of smartphones social media channels and various mobile applications in forging and sustaining intimate ties among dispersed Filipino family members Examining the digital lifeworlds of transnational Filipino family in Australia this volume draws on rich ethnographic study to explore the

benefits of digital communication as well as the tensions enabled by the influences of socio cultural structures socio economic conditions technological affordances and institutional policies and processes on mobile practices It portrays the physically distributed yet virtually connected nature of the transnational Filipino family through diverse contexts such as observing family rituals performing intimate care and managing crises and foregrounds their unique strategies in addressing the interruptions of connecting at a distance Ultimately this volume underscores how mobile practices of the transnational Filipino family negotiate the pre existing and broader structural systems that re produce marginalization in a digital and global era Enriched by moving stories of transnational families Im mobile Homes offers a critical lens towards interrogating the possibilities and politics of a home from afar in the digital era
