When All Else Fails Sapphos Kiss:

Just One Midnight Kiss Siobhan Smile,J.M. Dabney, Stanton I wasn't known for my impulse control Raised as an only child and best friends with my mother I hadn't heard the word no often in my life One night changed that completely I met a stranger who worked for my family's company One kiss and the beautiful man was gone and I hadn't stopped until I found him The real challenge came when he turned me down because of my age but to me that didn't matter He was my boy and I'd prove it to him Beckett After a divorce I was just trying to learn to live single again I'd emotionally broken down outside my boss's home and a gorgeous young man had kissed me The shock of that had me running I hadn't expected to see him again but he arrived at my office and with such confidence he'd claimed I was his He couldn't be serious Yet the more time I spent with him the attraction became all consuming and the reasons to say no were becoming unimportant Could I open myself to the possibility or would it be safer to protect myself from another mistake

Butcher's Babygirl Siobhan Smile,2022-01-04 Toni At thirty three I was hopelessly in love with my best friend and roommate Aisling Butcher She was everything I wanted but could never have because I wouldn't break that barrier My fear of losing her was too much to transcend That didn't mean I didn't live for every adoring expression when she looked at me Yet how much longer could I remain strong before I revealed my secret Butcher My baby sister's best friend Toni was flawless She was everything I'd always wanted but knew I couldn't possess She was always my Babygirl Her happiness and safety my only concern in life That's why I wouldn't make my feelings known I wasn't good enough I wouldn't let my demons touch her perfection But when teasing kisses turn to more am I brave enough to claim what's mine

His to Call Home Siobhan Smile,2023-12-27 Sasha There was one thing I hadn't planned to do and that was to move back to the city where I grew up Not that I had any bad memories I had loving parents but they thought it was long past time I started dating again I was a single dad with a demanding job as a firefighter and EMT I didn't have time to look for someone That's what I thought until I started at my station and met someone who changed everything Crash Wes My parents considered me the disappointment among their three children I was nothing like them So at eighteen I left and cut off all contact My job as a firefighter was the only thing that kept me going I wasn't an attractive man and I'd accepted that When the new guy Sasha Price started working with me he destroyed my comfort zone I didn't like the way he made me feel I wasn't supposed to like him but I just couldn't keep him out of my head CW TW Brief mentions of infertility and past pregnancy loss

Cold Cases and Bitter Enemies J.M. Dabney,2022-04-05 An unknown enemy wanted to take everything from us Graves I'd spent all my forty plus years paying for mistakes when I'd simply been human Living in the shadow of my friend's happiness grew harder every day I didn't mind being the odd one out I didn't mind being considered the unlovable strait laced ish one to their mayhem Acceptance after a lifetime of not measuring up was nice I'd found my rhythm and my place among the weirdness of my unit That was until Marcel Douglas the new ego maniac in Homicide decided he had to pick apart every case I'd left behind Douglas Leaving Chicago hadn't been in my plans but my

daughter needed me I d do anything to make her happy When her mother was transferred overseas I d moved so my daughter could stay with her friends the place she d come to love Being at the bottom of the hierarchy and earning respect didn t sit right with my pride I wasn t afraid to admit that And I d made one hell of an enemy Graves and his Cold Case Unit frustrated me and I didn t understand their methods A series of body dumps brought me back to Graves for help but he wasn t feeling charitable We d thought we were our biggest and bitterest enemies until the threats came Could we work together before the man gunning for us could finish the job *Cold Cases and Second Chances* J.M. Dabney,2021-10-26 Life and Death sometimes made you believe in second chances Robert One thing I was sure of in my life was I d never start over after my marriage of thirty years ended Yet when our kids formed lives of their own we d grown apart I d signed the papers and tried to move on My work as a Homicide Detective became my life It left me with no time to think but I couldn t exist for my job alone All that changed when they assigned Remy Bosley as my new partner He was too good to be true but in a short time he became my friend maybe something more Remy For twenty eight years I d worked to leave my past behind Although when the horrors shaped you into the person you were there was no escape Being a cop for me was making sure no one else turned out like me My partner Robert Kauffman made it clear how far I d shoved my dreams down I was too old and damaged for fairy tales yet that s exactly what I wanted In a few short years his family became mine and I couldn t lose that no matter how much I wanted more than friends When he was in danger I did what needed to be done and nothing was ever the same When a serial killer makes Remy s old turf his hunting ground how far will he go to protect the innocent TW Mentions of childhood sexual physical and mental abuses Passive Suicidal Ideation self harm and mental illness These are off page but there are detailed flashbacks and conversations of said acts Yet if these are triggering for you please feel free not to read the story Your self care and mental health are more important Thank you **Cold Cases and Dark Secrets** J.M. Dabney,2022-02-22 Time Didn t Heal All Wounds and the Scars were About to be Ripped Open Stevenson When I d moved from Homicide to the Cold Case Unit my friends headed I d thought it would be a new start The minute my marriage fell apart I d lost my purpose Years passed and I hadn t found myself until I d helped my friends catch a serial killer but I d also found friends and family As I d searched for a case among dusty boxes a decades old murder and missing person case caught my attention The autopsy report sent me to the ME s office and the man I d avoided for months Doc Making death my job didn t allow for normal friends but the dead needed an advocate and it was the only purpose I d known Being a medical examiner was all I d had for decades and I didn t know what to do outside my job I had a group of friends all worked in law enforcement and forensics but one thing was missing Short adorable middle aged men weren t getting swept off their feet When my secret crush needed my help with a case to the detriment of my sanity I said yes All I had to do was not be my weird self and blurt out everything in my head When a missing person case turns out to be more than it appears can Stevenson keep Doc safe from a twenty year old threat TW May contain mentions of sexual physical and mental abuses Passive Suicidal Ideation self harm and mental

illness These are mainly off page but there may be detailed flashbacks and conversations of said acts Yet if these are triggering for you please feel free not to read the story Your self care and mental health are more important Thank you

Cold Cases and Sweet Redemption J.M. Dabney,2022-12-07 When two broken men find redemption together will one survive to accept it Chance Everyone assumed I was a magnet for trouble or maybe I searched it out on my own By the age of forty I almost destroyed my life The tragic event that changed my entire perception of myself is haunting me When a friend is in danger I volunteer to keep them safe and momentarily distract myself from my problems Yet my demons keep hunting me down Bart For twenty years since my divorce I d completely cut myself off from all physical connection with another person PTSD has taken everything from me and a time bomb lives in my head ready to go off at any moment For the most part I ve learned to control it When Chance needs help learning a healthier coping mechanism I offer my assistance but when he s healed will I be able to let him go like I d promised Nothing had prepared two traumatized men for each other Can they heal and find redemption or will the danger around them take one from the other before they realize they have more than their demons TW Mentions of childhood sexual physical and mental abuses Passive Suicidal Ideation self harm eating disorders and mental illness These are mainly off page but there are detailed flashbacks and conversations of said acts Yet if these are triggering for you please feel free not to read the story Your self care and mental health are more important Thank you

The Story Began Once Upon a Time Siobhan Smile,2022-03-11 Odessa I d always wanted more Some fairytale that didn t exist One day I d stood up and ran to give my children the life my family and community denied me All of it had seemed simple in my brain but taking my life back at almost forty wasn t just about changing zip codes That was until one night in my favorite diner and the more I was looking for asked to sit at my table Dani I was a serial monogamist but long term hadn t worked out for me My fairytale didn t exist The woman for me wasn t out there waiting and if she was I hadn t found her yet I resigned myself to teaching during the week and playing ball with my friends on the weekend And then a chance meeting in a diner changed everything All I had to do was make her see that all the love and support she needed was right in front of her

Claiming Whisper J.M. Dabney,2012-08-19 What happens when you choose to throw fear aside and live unapologetically I did just that and never looked back Although I d thought I was content until my best friend asked for a favor and it brought me face to face with a big bearded bear of a man It wasn t love at first sight but it was something I hadn t realized how overwhelming that feeling was until Anderson Mara wanted me to be his This book was previously published in Dirty Daddies Anniversary Anthology 2020 This version only contains about 5k additional words **Sergeant Sappho** Sidney K Lebhart,2012-04-01 Being gay and being in the Army was a never ending struggle for me Nothing and no one was safe and being on guard continuously for almost ten years left indelible scars In spite of everything being a veteran is my proudest identification Sidney K Lebhart says of her upfront memoir Sergeant Sappho I am a lesbian who served in the U S Army from 1969 until 1979 This is the story of my career starting with the trials of basic training It tells of the places I was
