When Were Perfect Emily Duvall:

When We Were Perfect Emily Duvall, 2013-04-01 Brooke Wentworth the reserved hard working owner of a bakery stumbled into her fairytale future directly into the arms of Jonathan Burke a handsome millionaire and heir to his family's chain of upscale hotels On the night before their elopement everything goes terribly wrong and Brooke never makes it to the airport But shockingly Jonathan doesn't come looking for her Six years later Brooke has rebuilt the pieces of her life and found happiness again until Brooke and Jonathan's paths cross Their untimely meeting unravels secrets and betrayals including the daughter Brooke kept hidden from Jonathan For revenge Jonathan forces Brooke to make an impossible choice between her daughter and her beloved bakery How can she ever be happy if she has to abandon what's most important in her life

Romeo Spikes Joanne Reay, 2012-08-14 Working the Homicide squad Alexis Bianco believes she's seen every way a life can be taken Then she meets the mysterious Lola and finds out she's wrong More weapon than woman Lola pursues a predator with a method of murder like no other The Tormenta If you think you've never encountered Tormenta think again You're friends with one Have worked for one Maybe even fallen in love with one They walk amongst us looking like us talking like us Coercing our subconscious with their actions Like the long legged beauty who seduces the goofy geek only to break his heart causing him to break his own neck in a noose Or the rock star whose every song celebrates self harm inspiring his devoted fans to press knives to their own throats The pusher who urges the addict toward one more hit bringing him a high from which he'll never come down The tyrannical boss crushing an assistant's spirit until a bridge jump brings her low We call it a suicide Tormenta call it a score their demonic powers allowing them to siphon off the unspent life span of those who harm themselves To Bianco being a cop is about right and wrong Working with Lola is about this world and the next and maybe the one after that Because everything is about to change The coming of a mighty Tormenta is prophesied a dark messiah known as the Mosca To stop him Bianco and Lola must fight their way through a cryptic web of secret societies and powerful legends and crack an ancient code that holds the only answer to the Mosca's defeat If this miscreant rises before they can unmask him darkness will reign and mankind will fall in a storm of suicides Nobody's safe Everyone's a threat

TORMENTA THE FACTS Walking amongst us looking sounding and acting just like us is a type of demon called Tormenta And as demons go they are particularly fiendish A hand locked hard around her neck and the muzzle of her own Magnum impossibly pulled from its holster twitched an inch from her chin Do I have your attention Detective Alexis Bianco found herself staring at a swath of cropped blond hair the only feature of her assailant visible in the darkness She mustered a nod Then listen good Lola's voice was no more than a whisper but it seemed twisted tight sinking like a needle into her ear Humans are born with a predetermined life span an allotted number of years to live Some consume their spans and pass away Some have their spans prematurely snatched from them by murder or mishap But some surrender their lives by choice Humans call it suicide Tormenta call it opportunity From their method comes their name They torment their human prey into

giving up their lives Bianco swallowed attempted to speak but no words came She licked her lips easing a path and tried again You you say these Tormenta walk amongst us in plain sight They are everywhere I ve never seen one Weren t you listening **History of Central New York** Harry R.
