Bottom Time Norbert Weissinger, 2007-03-07 Join author Norbert Weissinger as he narrates his most memorable dives starting with his first scuba dive while attending college to the grueling work in the Gulf of Mexico as a commercial oilfield diver Experience the thrills terrors mystifying beauty and awful monotony of life at sea Meet the colorful and eccentric personalities that risk their lives daily in the development of offshore oilfields Commercial divers go under water every day to earn a living Strangely they enjoy the abuse of the sea and if they survive a ten year career they can take home a wealth of memories about a world that few have ever seen Bottom Time is filled with travel anecdotes dive narratives and vivid descriptions of the undersea world While working on the sea floor was sometimes lonely and frightening the author experienced sublime moments when he felt privileged to be a visitor to an alien realm The triggerfish tarpon groupers sea turtles and barracuda became his friends and he wished that bottom time would never end After spending countless hours under water the author found not only beauty and exotic marine life but inspiration Life spent on the bottom is truly living in the moment where past and future dissolve and nothing matters but a breath
