

Where the Tigers Were

Travels through Literary Landscapes

DON MEREDITH

Where The Tigers Were Travels Through Literary Landscapes

Arthur James Wells

Where The Tigers Were Travels Through Literary Landscapes:

Where the Tigers Were Don Meredith, 2001 Very well then he would travel Not all that far not quite to where the tigers were This quote from Thomas Mann's *Death in Venice* might describe Meredith except that he has traveled far indeed from the United States to Wales the Middle East India Africa and finally to Lamu Island Kenya **Britain by the Book** Oliver Tearle, 2017-11-02 What caused Dickens to leap out of bed one night and walk 30 miles from London to Kent How did a small town on the Welsh borders become the second hand bookshop capital of the world Why did a jellyfish persuade Evelyn Waugh to abandon his suicide attempt in North Wales A multitude of curious questions are answered in *Britain by the Book* a fascinating travelogue with a literary theme taking in unusual writers haunts and the surprising places that inspired some of our favourite fictional locations We'll learn why Thomas Hardy was buried twice how a librarian in Manchester invented the thesaurus as a means of coping with depression and why Agatha Christie was investigated by MI5 during the Second World War The map of Britain that emerges is one dotted with interesting literary stories and bookish curiosities *Writing Japonisme* Pamela A. Genova, 2016-04-30 In her book Pamela Genova suggests that as critics move in general from a literal to a more metaphoric understanding and presentation of Japonisme the mutability of the phenomenon is highlighted in a rich and illuminating manner By exploring the conditions of the creation of these works accenting the original aims of the artists the manipulations carried out by art dealers gallery owners and boutique managers as well as the gestures of explanation interpretation and judgment offered by the professional and amateur critics Japonisme takes on an even more versatile nature Further a complex web of correspondence germinates among these artists both French and Japanese and their many critics It is in this light that the truly rich character of Japonisme comes forth since the undesirability even the impossibility of the attempt to reduce it to a single genre style era or cultural cadre attests to its elusiveness and its Protean nature Japonisme does not correspond to a single dictionary definition no matter how subtle or self aware that definition might be By situating the dynamics of Japonisme as a response on the part of French culture to the culture of Japan we gain a keener sense of the multiplicity of modern French sensibility itself of how the awareness of a nation's language history and art forms can be creatively reflected in the images of a culture seemingly radically different from its own **A History of Europe in 12 Cafés** Monica Porter, 2024-06-30 Since the seventeenth century the caf or coffee house in Europe has been the key gathering place of innovators and mavericks the writers artists philosophers and political figures who formed influential affiliations and gave birth to revolutionary movements that still affect our lives today It was the type of establishment ideally suited for this role Unlike the tavern pub or bar where one's senses grow ever duller from alcohol one can sit for hours in a caf with like minded companions consuming the coffee that sharpens wits and conversations No wonder so many new ideas were generated in the legendary caf's of Paris and Vienna Rome and Venice Prague Budapest and other major European cities In her latest book Monica Porter leads the reader on an entertaining waltz through six centuries nine European

countries plus America and a wealth of historic episodes featuring some of the most intriguing and noteworthy people who ever lived As she reveals playing its vital part in all their stories at times in the background at times front and centre is that enticing venue the caf The twelve venerable establishments of the book s title the oldest dating from 1686 the newest from 1911 are all still in existence And so after learning about their fascinating historical associations readers can experience these places for themselves which makes the volume an ideal companion for history buffs travellers and caf lovers alike

The Kindness of Strangers Tim Cahill,Dave Eggers,Don George,Jan Morris,Simon Winchester,2015-05-01 Lonely Planet The world s leading travel guide publisher A timely collection of 26 inspiring tales The Kindness of Strangers explores the unexpected human connections that so often transfigure and transform the experience of travel and celebrates the gift of kindness around the world Featuring stories by Jan Morris Tim Cahill Simon Winchester and Dave Eggers I greatly appreciate the theme of this book that gathers stories of kindness received when it was most needed and perhaps least expected I am sure they will inspire everyone who reads them encouraging each of us to take whatever opportunities arise to be kind to others in turn HIS HOLINESS THE DALAI LAMA The Kindness of Strangers is a wonderful companion for travel It enlarges us reminds us that serendipity is one of the ultimate joys of life s constant journey AMY TAN A wonderful idea beautifully realized I enjoyed it immensely BILL BRYSON About Lonely Planet Started in 1973 Lonely Planet has become the world s leading travel guide publisher with guidebooks to every destination on the planet as well as an award winning website a suite of mobile and digital travel products and a dedicated traveller community Lonely Planet s mission is to enable curious travellers to experience the world and to truly get to the heart of the places where they travel TripAdvisor Travellers Choice Awards 2012 and 2013 winner in Favorite Travel Guide category Lonely Planet guides are quite simply like no other New York Times Lonely Planet It s on everyone s bookshelves it s in every traveller s hands It s on mobile phones It s on the Internet It s everywhere and it s telling entire generations of people how to travel the world Fairfax Media Australia 1 in the world market share source Nielsen Bookscan Australia UK and USA March 2012 January 2013 Important Notice The digital edition of this book may not contain all of the images found in the physical edition Going Places Robert Burgin,2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read alike with this detailed and expertly constructed guide Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe smart librarians need a guidebook that makes sense of the world of travel narratives Going Places A Reader s Guide to Travel Narratives meets that demand helping librarians assist patrons in finding the nonfiction books that most interest them It will also serve to help users better understand the genre and their own reading interests The book examines the subgenres of the travel narrative genre in its seven chapters categorizing and describing approximately 600 titles according to genres and broad reading interests and identifying hundreds of other fiction and nonfiction titles as read alike and related reads by shared key topics The author has also identified award winning titles and

spotlighted further resources on travel lit making this work an ideal guide for readers advisors as well a book general readers will enjoy browsing **The City of Ye in the Chinese Literary Landscape** Joanne Tsao,2020-01-20 In The City of Ye in the Chinese Literary Landscape Joanne Tsao demonstrates how the city of Ye changed from an iconic space that represented Cao Cao s heroic enterprise to a symbol of the fruitlessness of human endeavour and then finally to a literary landmark a synecdoche for the vicissitudes of human life caught in the predictable cycles of dynastic rise and decline Through a close reading of literary works on Ye she illustrates how the city transformed from a lived to imaginative space to become a symbol in the poetic lexicon Making use of literary and historical texts on Ye and its material remains through the Song and beyond she shows the potency of place as a generative force in literary production and in historical discourse
