The Faith Journey Series Robin D. Holstein,2022-11-03 Four lonely children three broken homes and two willing people all collide for one divine purpose In this fourth installment of the Faith Journey series all the past hardships written about in the first second and third books begin to take on a new perspective as it suddenly becomes very evident that those horrific events from Robin s and Tim s past the uncertainty that came from their various life threatening health challenges the excruciating pain felt from betrayal and rejection throughout each of their divorces the loneliness that followed and all the overt demonic spiritual attacks were all divinely permitted for a very important purpose that would prove useful in bringing up their four adopted children Everything comes full circle as Robin realizes that the deep dark adversity allowed in her past was part of the divine plan to prepare her for the most important task God was calling her and Tim to do All the rejection abandonment anger and fear they had experienced proved to be useful tools as she and Tim attempt to empathize and understand the heavy weight of deep rooted hurt and trauma that their children lived with God uses their past failures and pain to shed light on ways to help them form meaningful bonds with their adopted children the sibling group consisting of four lost souls that would result in a loving family unit for this new family created by God out of six rejects We re all just a bunch of rejects living under one roof It s no wonder that God can lift us to such heights we all came from the pit Robin D Holstein **The Long Dying** Carol McEachen,2011-09-21 Seventy seven year Maggie Campbell is stricken with dementia

This is the story of how her proud independent way of life is inexorably eroded until she finally finds herself completely dependent on others. It is also the story of how her two sons, Scott and Ian, suddenly have to shoulder the burden of their mother's care while at the same time dealing with their own shock and grief. When Maggie is moved to Scott's home in Fredericton, Beth, his wife, becomes her mother-in-law and caretaker. Because of Maggie's inability to accept needed help and Beth's rigidity, the situation gradually becomes untenable, and Maggie is placed into three separate institutions, resulting in more pain and confusion. The story is complicated by the fact that Ian, Maggie's younger son, although very devoted to his mother, is not close to either Scott or Beth. Although this is a sad, sometimes heart-breaking story, it is often lightened with humour and glimpses into Maggie's rich past as a Saskatchewan woman coming of age during the forties and fifties. **The Theory of Eternal Thoughts** R.E. Freeman, 2010-10-19. Testing Attitudes in Life: Do not let situation control your thoughts. Speaking of Goals: Go through the Test of Fire. First, overcome the things others do to you. The rage and questions are above all other ways. Life has been real simple following the wit of women until men realized, took over with their strength. The world's words are like having a tug-of-war. The world was not ready for bold words back long ago. Jesus' spirit provided latitude. The victory for the sender. Our personal gift has been hidden and forbidden to read. Our proper rooting is with the spirits of Haggai and Ezekiel. Chapters left behind with words of Jesus coming again, saying, 'I won.' **Their God/S** Michael Jean Nystrom-Schut, 2015-11-19. In the mind of each person on the planet, a set of notions and ideas of God or gods reside. Some of these systems are basic and simple. Others are highly complex and complicated. Some borrow their God/god notions from authority or from others they know. Others are much more original, eclectically piecing together many separate parts from multiple sources. No two people in the world experience and translate God/gods in the same way. And this is what makes things so interesting. As I have encountered this wonderful life, I have also bumped up against countless people who were in the position to explain exactly who God was and was not. They were quite sure of themselves and anxious to impart this wisdom to me. But because I had a mind and heart of my own, this put me on the outside, looking in, for much of my life. We all come to a place where we realize we must make our minds up as to what we will and will not do, how we will think, and who we will be. As I have encountered them and their God/gods, I have found my own way through this foggy maze and discovered a modicum of peace and reconciliation in the process. This is the massive task of all of us, as well as why I needed to lay it out to you in this lengthy 2-part book. **Symphony of Redemption** L. Leah Phoenix, 2015-08-13. At the age of twenty-five, L. Leah Phoenix was ready to give up on life, but it was not meant to be. Now, with warmth, unflinching honesty, and humor, she tells an insightful story about the fierce determination of the human spirit. This memorable journal chronicles her challenging childhood and tumultuous twenties when she fulfills her dream of becoming a mother. Slowly, she learns to let go of her past and appreciate life through forgiveness and understanding. Suddenly, she is faced with a catastrophic tragedy after which she loses everything that matters to her in life. Devastated by grief, she finds herself at a crossroads. She can easily go back to her

old habits which will eventually destroy her family and her future or she can make crucial permanent changes to claim the life she has always wanted Tired of self destruction and victimhood Phoenix sets out on a journey to reinvent herself Along the way she explores spirituality the meaning of unconditional love and searches for a deeper relationship with God Hers is a story of hope triumph against adversity and joy no matter what
