A Troubled Sleep James Waller, 2021-02-15 In contemporary Northern Ireland more than two decades after the peace agreement that ended the thirty year sectarian violence known as the Troubles the risk of a return to violent conflict is progressively accumulating in a rising tide and resilience is rapidly receding

From Northern Ireland we can learn what happens when identity politics prevail over democracy when a paralysis in governance leads to a political vacuum that leaves spaces open for extremist voices to dominate when de facto social segregation becomes normalized when acclimatization to violence becomes a generational legacy and when questions of who we are become secondary to who we are not
