Heaven and Hell Karen Garcia-Hernandez, 2018-02-24

When someone escapes from hell, two boys take it upon themselves to find them. They know nothing about each other other than one is God and the other is Satan. What

they don't know about each other is that they look exactly the same. Knowing that they are twins separated from birth, they go to earth in search for the prisoner. As they go through the process of finding the escapee, they go through a lot, taking detours while men they don't know are following them.
