mission is to intentionally share Christ's kingdom. The believer's divine journey remains absolute, purposeful and communal. Even so, as the church endeavors to fulfill its mission, obstacles obscure the pathway forward. Our once enlightened society slowly dims with the dissolution of revered institutions, especially those of marriage and the family. Prevailing secular humanism assigns Christian orthodoxy to the realm of fictional radicalism. Amid such traumatic chaos, can the church maintain a faithful outlook? In a post-Christian world, how does the Church move forward? Redeeming the Time: God's CLEAR Path Forward biblically examines Christ's transformational leadership as the standard required for church revitalization. Meaningful Church membership can only be found by loving and following Christ alone. He is The Way forward. Accordingly, church leaders must adopt Christ's servant leadership philosophy with a unified partnership that renews our ministries to our families, church and community. Believers are summoned to live a spiritually disciplined life for the purpose of godliness. Essential discipleship therefore must center upon full obedience to the Holy Scripture, not out of mere duty but from an intimate, loving disciple's relationship. The ministry objective is to engage discipleship not as a program or church function but as a Christian lifestyle that is begun and nurtured in the home. Focusing on parental responsibility is not to suggest that the community of faith has no didactic role; rather, it better organizes and supports biblical discipleship in the context of the family unit. Redeeming the Time biblically examines Christ's transformational leadership as the servant way, the appointed way, the passionate way and the challenging way. For all who follow Him, He is our CLEAR Path forward.

Ventures in Discipleship John R. Martin, 1998-10-06 This unique book promises to be profoundly useful for all who take it seriously. Merely to talk about what we should be doing is surely one form of cheap grace. The book provides concrete steps for making discipleship a way of life, not just a way of talk. Ventures in Discipleship is extraordinarily practical with its uncommon mix of doctrine and application, reflection and action, theological probing and challenge to commitment, basic discipleship and a broad range of specific disciplines. No group of believers can use this book with serious intent and fail to move closer to real kingdom living to genuine following of Jesus Christ. Howard A. Snyder

Biblical Grandparenting (Grandparenting Matters) Dr. Josh Mulvihill, 2018-12-04 Many powerful voices are influencing our grandchildren from those at home and in their schools to those in the world of entertainment and media. What can you, as a grandparent, do to speak wisdom and godliness into their lives? Biblical Grandparenting is a full-length leadership book that places grandparenting ministry on a firm scriptural foundation. It is ideal for pastors and church leaders as well as for use in the classroom at seminaries.

Building a Youth Ministry that Builds Disciples Duffy Robbins, 2012-01-24 While most youth pastors are being regularly evaluated or even scrutinized for what they're doing right now in the youth group, the reality is that the most important thing they are doing won't actually be evident until much later. That's because the biggest challenge for any youth ministry is helping teens embrace a whole-hearted devotion to God that lasts far beyond their years in the youth room. Unfortunately, much of youth ministry seems to be designed on the model of setting teenagers up for a date with God: a delightful evening that involves

music laughter food and light conversation But what scripture calls us to is not a one night stand with God but a lifelong love of God that endures Youth ministry educator and veteran Duffy Robbins offers youth workers a blueprint for building that kind of faith in teenagers In this concise book ideal for busy youth workers they ll be equipped to build a youth ministry that instills that lasting faith in its students [Growing in Discipleship](#) Navigators (Religious organization),2006-06 This concise easy to follow study will provide insight and encouragement to help you grow as a true disciple of Christ by learning to share the blessings you ve received from God [Following Jesus Christ](#) John K. Strauss,2019-11-19 A Comprehensive Guide to Discipleship in the New Testament and Today s World Although the concept of discipleship is an integral part of New Testament teaching it has largely faded from discussion in both the academy and the local church To revive and reclaim this teaching for believers in the twenty first century editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship providing a comprehensive biblical picture In addition other contributors explore discipleship in the context of the local church spiritual formation and the life of the mind Together these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and in the academy Rich with insight Following Jesus Christ represents a major advance in this essential area of study Craig A Evans Houston Baptist University We are treated here to a survey of what discipleship means in the New Testament from experts in the field and we also see some of the wider dimensions of discipleship in this important work All those wanting to understand discipleship will find this to be a valuable resource Thomas R Schreiner The Southern Baptist Theological Seminary [Saint Paul as Spiritual Director](#) Victor A. Copan,2008-02-01 In recent years much has been written on spiritual direction However confusion and at times outright contradiction exist between the aims and methodologies of various models of Christian spiritual direction In order to develop solid criteria for evaluating and critiquing these models it is necessary to root the practice of spiritual direction in the biblical record The intention of this study is to provide such biblical moorings by examining the Apostle Paul as a case study in his function as a spiritual director with respect to his aims and praxis of spiritually forming the members of the congregations he founded *Community Relational Soul Care* Dr. Julie A. Larsen,2023-03-27 This transformational model Matt 22 37 39 is focused on Community Relational Soul Care that has been lived out through generations of relational soul caregivers since 1910 This book will bring spiritual vitality full circle for today to heal hurting people Scripture reveals Jesus Christ is the Helper Advocate and Counselor to help His children gain wisdom for spiritual vitality Dr Larsen observed hurting people did not get fully healed after counseling They fell back into old ways of living because they did not know their identity had a relationship with Jesus Christ experienced God and were nurtured by His people Relational soul caregivers mentor careseekers in and out of community Matt 18 20 to restore God s children in spiritual wisdom for the fulfillment of His plan

Relational soul caregivers are mentors who study God's Word and have a relationship with Him. Some mentors have professional degrees but they all share a collective focus on Jesus Christ, love one another, and help nurture others to spiritual vitality. Using this biblical model with acrostics RELATE relational soul caregivers that nurture others spiritually, mentally, and emotionally, and RESTORE restoring God's children through the basic study of His Word in the Epistles 1, 2, 3. John reveals examples of God's people helping each other to spiritual vitality. Healing emerges in relationships with God, others, and God-centered self in Community Relational Soul Care.

Walking with God in the Twenty-First Century Martin L. Kaonga, 2018-04-25. The twenty-first century has witnessed unprecedented and revolutionary scientific, technological, philosophical, and sociocultural changes, many of which have churned serious challenges to Christianity. In the face of these challenges, can a believer realistically walk with God? Walking with God in the Twenty-First Century examines the prospects of a devout Christian walking with God today and addresses a number of questions that all Christians must consider: Is God's desire to walk with a devout Christian in the twenty-first century an illusion? What does it mean to walk with God? What are the major challenges to practicing Christianity in this century? How is the devil operating undercover to prevent believers from walking with God? Can a Christian realistically live a life fully devoted to God in the twenty-first century? Are there any provisions for a committed believer to practice Christianity in this church age? Pastors, church leaders, theology students, and Christians of all stripes should consider these new challenges and seek out God's answers. In this way, we can be equipped to walk with God in the most corrupt of environments, becoming a true disciple of Christ with a deepened commitment to obey his commandments.

Spirit Walk (Special Edition) Steve Smith, 2020-03-11. The Holy Spirit is the Hidden Mover Behind All Personal Life Transformation and Ministry Fruitfulness. Since the original publication of *Spirit Walk*, author Steve Smith has gone home to meet the Lord face to face. However, before that glorious day, he penned an impassioned plea to believers in the last days of his life. That plea and piece of instruction is what comprises the new foreword in this special edition of *Spirit Walk*. Read and be both challenged and invited to a life lived in the power of the Holy Spirit. Though we know the Bible says to walk in the Spirit, the majority of Christians are illiterate and even nervous about how to practically live in His power. The result is lives marred by continued brokenness and ministries plagued by fruitlessness. In contrast, believers from Acts understood the ancient path of the Spirit Walk. That extraordinary power was not just for them but also for us. Gleaning insights from implementation in dozens of Acts-like movements around the world, *Spirit Walk* lifts the hood and shows us the real secret behind apostolic disciple multiplying movements. Neil Cole, author of *Organic Church*, whether you need a movement of God in your personal life or in your ministry, this book takes you through the timeless principles of the Bible. The Spirit Walk path has helped thousands of ordinary people shift from a fundamental reliance upon methods and self-help to the essential reliance upon the Spirit who empowers both. Discover how to start on your lifelong journey of being filled again and again by the Holy Spirit as you abide in Christ.
