has caught up and has to deal with the consequences Finally Lincoln is rejoined with all her sisters on a cruise that is unforgettable

The Lincolns in the White House Jerrold M. Packard, 2013-09-17 From the day of Abraham Lincoln's inauguration a nation divided by savage conflict confronted the new president But what many don't know was that within the White House's walls the Lincoln's family would soon find itself suffering turmoil mirroring that of the nation he led Savagely criticized for her extravagance by the American public and widely distrusted because of her southern roots first lady Mary Lincoln's increasing instability would deeply strain her marriage and eventually end in her mental collapse The couple was devastated when eleven year old Willie died in the White House of typhoid fever Tad the youngest son remained the family joy despite his physical impairments Though their son Robert's success at Harvard made his parents proud his relationship with them was troubled and would result in a painful estrangement one which would eventually permanently separate him from his mother The president's assassination brutally crushed Mary's always fragile spirits After leaving the White House and following Tad's early death the former first lady retreated into increasing eccentricity and seclusion until her death in 1882 A moving and poignant portrait of the family life of America's greatest president

The Rhetoric of Lincoln's Letters Marshall Myers, 2018-07-27 Lincoln's letters have been cited in countless biographical and critical works yet have received little scholarly attention as a whole This comprehensive study reveals his letters to be fundamental to understanding his development as a writer Early on he employed Hugh Blair's popular idea of developing taste in written documents and carefully studied the letters of his contemporaries He wrote more than 5000 of his own As he became more proficient he employed more sophisticated rhetorical strategies to deal with political opponents imperious generals and critics of his policies

Mary Lincoln Stacy Pratt McDermott, 2015-01-09 One of America's most compelling First Ladies Mary Lincoln possessed a unique vantage point on the events of her time even as her experiences of the constraints of gender roles and the upheaval of the Civil War reflected those of many other women The story of her life presents a microcosm through which we can understand the complex and dramatic events of the nineteenth century in the United States including vital issues of gender war and the divisions between North and South The daughter of a southern slave holding family Mary Lincoln had close ties to people on both sides of the war Her life shows how the North and South were interconnected even as the country was riven by sectional strife In this concise narrative Stacy Pratt McDermott presents an evenhanded account of this complex intelligent woman and her times Supported by primary documents and a robust companion website this biography introduces students to the world of nineteenth century America and the firsthand experiences of Americans during the Civil War

Abraham Lincoln and the Road to Emancipation, 1861-1865 William K. Klingaman, 2001-03-19 In this comprehensive account of Abraham Lincoln's Emancipation Proclamation William K. Klingaman takes a fresh look at what is arguably the most controversial reform in American history Taking the reader from Lincoln's inauguration through the Civil War to his tragic assassination it uncovers the complex political and psychological pressures facing Lincoln in his consideration of the

slavery question including his decision to issue the proclamation without consulting any member of his cabinet and his meticulous attention to every word of the document The book concludes with a discussion of what the Emancipation Proclamation really meant to four million newly freed blacks and its subsequent impact on race relations in America
