Womens Anatomy Of Arousal:

Women's Anatomy of Arousal Sheri Winston, 2010 *The Wisdom of Menopause (4th Edition)* Christiane Northrup, 2021-05-11

The Wisdom of Menopause offers an honest look at the menopausal transition. If you are looking for realistic positive and constructive solutions to the inevitable challenges of life, then look no further: you have found your sourcebook. The North American Menopause Society's #1 New York Times bestseller when first published, this groundbreaking book has inspired more than a million women with a dramatically new vision of midlife and will continue to do so for generations to come. As Dr. Christiane Northrup explains, the change is not simply a collection of physical symptoms to be fixed, but a mind/body revolution that brings the greatest opportunity for growth since adolescence. The choices a woman makes now, from the quality of her relationships to the quality of her diet, have the power to secure vibrant health and well-being for the rest of her life. In this fully revised and updated fourth edition, Dr. Northrup draws on the current research and medical advances in women's health, including up-to-date information on hormone testing and hormone therapy, a completely new take on losing weight and training your mind to release extra pounds, new insights on the relationship between thyroid function, Hashimoto's disease, and Epstein Barr virus, with a new program for healing thyroid issues, all you need to know about perimenopause, and why it's critical to your well-being, the latest on new, less invasive and more effective fibroid treatments, information on which supplements are better than Botox for keeping your skin looking youthful, additional advice on dealing with pelvic health issues, including pelvic prolapse. With this trusted resource, Dr. Northrup shows that women can make menopause a time of personal empowerment, emerging wiser, healthier, and stronger in both mind and body than ever before.
