A BOOK OF PRAYERS

MARK YACONELLI

Wonder Fear And Longing A Of Prayers

Calvin Miller

Wonder Fear And Longing A Of Prayers:

Wonder, Fear, and Longing Mark Yaconelli, 2010-08-01 In our hectic lives it's easy to forget that prayer is more about a conversation and experience with God than it is a request line. This book is an invitation to meaningful prayer. Through stories, images, contemplative exercises, poetry, classical prayers, and creative meditations on prayer, it helps us explore ten human experiences where prayer originates: love, desire, fear, suffering, compassion, brokenness, rest, reflection, wonder, and gratitude.

Wonder, Fear, and Longing, eBook Mark Yaconelli, 2009-08-25 Every heart feels wonder. Every heart knows fear. Every heart aches with longing. Awed, we whisper. Thank you. Frightened, we cry. Mercy. Yearning, we plead. Show me the way. Because the truth is no matter who you are, every heart needs prayer. This is a prayer book. A book to seduce, cajole, entice, and encourage your heart into prayer. More than a book to be read, this is a book to be explored. It is a book of stories, divine poetry, holy verses, mystical inspirations, prayerful imaginings, meditative practices, and spiritual exercises that seek to uncover the hidden communication between you and God. As you read and explore more about love, longing, fear, suffering, compassion, rest, reflection, passion, wonder, and gratitude, you'll be invited to discover prayer within the various moods, attitudes, and experiences that we human beings often find ourselves in. It's a book to be used, flipped through, tested, experimented with, and then set aside. It is a book that asks you, time after time, to stop and listen, turn and welcome the silent love of God. The hope of this book isn't to teach you anything. The point of this book is to encourage you to give yourself to God, your anger, your fear, your gratitude, your curiosity, your real self to the real God, because then and only then will your heart find peace even in the midst of wonder, fear, and longing. Because every heart needs prayer. Using Christian

Contemplative Practice with Children Sonia Mainstone-Cotton, 2019-08-21 How stillness, mindfulness, and other contemplative practices can be used with children in worship. Looking at the benefits this can offer for a child's wellbeing and ability to reflect on their own beliefs, this guide is full of ideas and practical examples on how to introduce a more reflective approach to children's work in Christian settings. Tending the Fire That Burns at the Center of the World David F.

White, 2022-07-29 *Tending the Fire at the Center of the World* engages the central question of Christian formation: that is, what kind of knowing is most likely to awaken and sustain Christian faith? This book seeks to reclaim aesthetics, beauty, and creativity as the church's most native theological way of knowing and being, which participates with God's own glory and creativity. This book traces the prominence of aesthetics up until the dawn of the Enlightenment, including recent theologians who reclaim aesthetics for theology and formation. The book elaborates the aims and techniques of aesthetic approaches to teaching and learning in the church. Finally, this book cautions against overly determined rationalisms and moralisms that do not retain a sense of wonder, delight, and openness in the church's teaching, liturgy, and proclamation. In this view, the church does not simply regurgitate familiar texts, political tropes, or flattened doctrines but breaks into the world as Christ's body, a parable, a song, a flash mob interrupting business as usual, giving new expression to acts of care, repentance, forgiveness, joy.
