Thinking in the Spirit Douglas Jacobsen,2003-11-20 This book is about the boisterous beginnings of the American Pentecostal movement and the ideas that defined that movement during those formative years It follows a group of men who rethought the Christian faith in light of their new experience of God Thinking in the Spirit aims to provide scholars and general readers who know little or nothing about Pentecostalism with an introduction to the ideas of the movement's most articulate early spokespersons and to provide Pentecostals with a non judgmental historical source to help them in their theological reflections Douglas Jacobsen focuses on the individuals who formed the original brain trust of this now gigantic religious movement In a 25 year burst of creative energy at the beginning of the 20th century these leaders articulated almost all the basic theological ideas that continue to define the Pentecostal message in the United States and around the world

Prosper Your Soul, Beloved Vicki Heymann,2020-12-03 Beloved I pray that you may prosper in all things and be in health just as your soul prospers 3 John 2 NKJV It has been a dream of mine to prosper financially using biblical principles I prayed about it and then one morning the Lord told me that it was time and that He would teach me He instructed me to wait on Him every morning and to write down the things He taught me I followed His instructions guidance and wisdom writing it all down for a full year This book is the result of our time together To my surprise this became a book of many books The Lord would guide me to a specific book teach me from it and then move on to the next book It was totally supernatural As I followed the leading of the Lord it became clear to me that God was taking me on a year long journey of prospering my soul which in turn would influence my financial situation I learnt that I could not prosper in any given area unless my soul prospered in that area too hence the book's title This book takes many twists and turns and even has a few surprises Did I reach my goal of financial prosperity You have to read it to find out

Book 6 Biblical Faith PB Kurt Jurgensmeier, 2012-10-28 Faith is a vital topic in Christian theology However the concept is more complex than is assumed John Stott writes One wonders if there is any Christian quality more misunderstood than faith We demonstrate that Scripture uses faith in a variety of ways including saving faith false faith miracle faith empowering faith and visionary faith Failure to recognize this leads to serious error in both Arminianism and charismaticism Included is an extended section on visionary faith that enables us to step out in courage taking risks to pursue human plans to fulfill God s commands In our defense of the fact that biblical faith must rest on biblical revelation we critique the inclusivism of John Wesley Billy Graham and C S Lewis which claims salvation can be apart from a revelation of the Gospel Finally we demonstrate that the strength of our faith depends on reason and the evidences it perceives and evaluates There is no such thing as a biblical leap of faith apart from reason
