Words Of A Prophet Siener Van Rensburg:

The High Treason Club Karin Mitchell, 2025-05-01 On the night of 30 October 2002 eight bomb blasts tore through Soweto leaving one woman dead and damaging vital infrastructure The bombs were the work of a far right white Afrikaner separatist group called the Boeremag whose stated aim was to overthrow the ruling ANC government rid the country of black people and reinstate a new Boer administered republic For months before the bombings police had been investigating the terror group and had made several arrests In December after an intense cross country manhunt the perpetrators of the bombings were finally caught All in all 23 men were arrested and charged with high treason after the police seized explosives homemade pipe bombs weapons and ammunition in arms caches hidden all over the country *Of Tricksters, Tyrants and Turncoats* Max du Preez, 2010-11-05 The sequel to the bestselling *Of Warriors Lovers and Prophets* this is a collection of more fascinating colourful and mostly unknown historical tales all meticulously researched and written in a lively and engaging style There are stories of Khoikhoi who tried with mixed fortunes to integrate into early Cape colonial society and eccentric Europeans who ventured to the turbulent interior Readers will meet the Xhosa mystic and war doctor Makhandla who nearly succeeded in taking Grahamstown from the British in 1819 and the chieftainess Mantatisi who led her people to military victories during the upheavals of the nineteenth century Also featured are the Johannesburg based Foster Gang who were indirectly responsible for the killing of Boer hero Koos de la Rey and the men who pulled off the biggest jewellery heist of the time stealing Bridget Oppenheimer's jewels in 1956 *Of Tricksters Tyrants and Turncoats* spans more than three hundred years of history concluding with an account of the man who exposed South Africa's controversial arms deal Once again Max du Preez brings the past to life proving that history can be more interesting and more fun than fiction **The Oxford Handbook of Late Colonial Insurgencies and Counter-Insurgencies** Martin Thomas, Gareth Curless, 2023 Beginning with Britain's 1948 declaration of a Malayan Emergency and ending with the 1973 withdrawal of US ground troops from Vietnam this Handbook connects ideas about contested decolonization and the insurgencies that inspired it with an analysis of patterns and singularities in the conflicts that precipitated the collapse of overseas empires *Boerejood: One Man's Quest to Understand the Miracle of Democracy in South Africa* Julian Roup, 2024-10-16 Brilliant engaged intelligent personal and funny Financial Times Ten years after democracy arrived in South Africa here is a book that gives a voice to the Afrikaner speaking in English about the Miracle of the peaceful transition to majority rule their worst nightmare This is a book that goes beyond politics with the very human story of one man giving insight into the hearts and minds of a people struggling to find their identity as white Africans trying to secure their place in Africa They are seen through the eyes of a Boerejood a half Afrikaans half Jewish writer who struggles himself with issues of identity reflecting the struggle around him In the final analysis Boerejood is about the universal human struggle between good and evil black and white justice and injustice love and hate all that defines us as being human It takes the reader on an astonishing and remarkable journey of

discovery the destination being the soul of the Afrikaner and an answer to why these people accepted black majority rule with relatively no struggle after years of racist persecution of their black and brown neighbours Reading *Boerejood* is like being a voyeur at a hugely animated dinner party where you sit and listen to highly charged debate with intelligent people locking horns They make fascinating points and then incredibly inane and naïve remarks Then they dazzle with astute observations You are hooked and hang on to every word Cape Times *Of Warriors, Lovers and Prophets* Max du Preez, 2010-11-05 South African history will never be the same again Shunning the predictable Max du Preez has put on his investigative journalist's cap and examined our past from a fresh perspective The result is a collection of extraordinary and mostly unknown stories all meticulously researched and written in an engaging and lively style Instead of regurgitating the story of Jan van Riebeeck's arrival at the Cape he tells the tales of a Portuguese viscount killed on a Cape beach in 1510 of the Khoikhoi chief who was kidnapped and taken to England in 1610 and of the saucy goings on between slave women and their European settler lovers There's the story of King Moshoeshoe's remarkable conduct when cannibals ate his beloved grandfather and Shaka's sexuality is explored via his relationship with his mother and the woman who loved him without ever touching him Sidestepping the old clichés about the Anglo Boer War Du Preez recounts the story of an Afrikaner broedertwis General Christiaan de Wet and his brother Piet who joined the British forces and fought his own people The reader is taken through every stage of our history up to the story of apartheid South Africa's nuclear bombs and the secret dealings and intrigue during the negotiations leading up to the 1994 elections This is South African history as you've never seen it before a colourful mosaic of our rich heritage **Boerejood** Julian Roup, 2004 Depicts South Africa through the eyes of a Boerejood a half Afrikaans half Jewish writer who struggles with issues of race and identity as does his nation **Theatre and National Identity** Nadine Holdsworth, 2014-06-27 This book explores the ways that pre-existing national works or national theatre sites can offer a rich source of material for speaking to the contemporary moment because of the resonances or associations they offer of a different time place politics or culture Featuring a broad international scope it offers a series of thought provoking essays that explore how playwrights directors theatre makers and performance artists have re-staged or re-worked a classic national play performance theatrical form or theatre space in order to engage with conceptions of and questions around the nation nationalism and national identity in the contemporary moment opening up new ways of thinking about or problematizing questions around the nation and national identity Chapters ask how productions engage with a particular moment in the national psyche in the context of internationalism and globalization for example as well as how productions explore the interconnectivity of nations intercultural agendas or cosmopolitanism They also explore questions relating to the presence of migrants exiles or refugees and the legacy of colonial histories and post colonial subjectivities The volume highlights how theatre and performance has the ability to contest and unsettle ideas of the nation and national identity through the use of various sites stagings and performance strategies and how contemporary theatres have portrayed national

agendas and characters at a time of intense cultural flux and repositioning **Murderous** David Hickson, Thirty three people have died in a church Cries of genocide are bringing the country to the brink of civil war But the only man who can discover the truth is a criminal on the run Ben Gabriel was once a soldier in the elite British Special Forces But that was before his dishonourable discharge the disappearance of his girlfriend and his subsequent descent into a life of crime To make matters worse Gabriel is now a suspect in the biggest gold heist in living memory and he is on the run But he might just be the only person who can discover the truth behind the horrific church massacre that has devastated an Afrikaans farming community and sparked the fear of genocide Murderous is the second book in the Gabriel series of thrillers set in the turbulent political landscape of South Africa If you like the works of John le Carre Len Deighton and Mark Dawson stories of the underdog who questions authority and the daring capers of those who break the law to find the truth then you ll love this breathtakingly fresh thriller from David Hickson Get it now *Siener van Rensburg en die Rebelle* A.
