Walk In Hell The Great War Book 2:

Walk in Hell (The Great War, Book Two) Harry Turtledove, 2006-07-25 Harry Turtledove is probably the best known practitioner of alternate history working today American Heritage The year is 1915 and the world is convulsing Though the Confederacy has defeated its northern enemy twice this time the United States has allied with the Kaiser In the South the freed slaves fueled by Marxist rhetoric and the bitterness of a racist nation take up the weapons of the Red rebellion Despite these advantages the United States remains pinned between Canada and the Confederate States of America so the bloody conflict continues and grows Both presidents Theodore Roosevelt of the Union and staunch Confederate Woodrow Wilson are stubbornly determined to lead their nations to victory at any cost **Talking Book Topics** ,2003 **Sequels** Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series **The Confederate States of America** Roger L.

Ransom, 2016-02-15 Provocative and compelling a wild ride through Civil War history Library Journal What if Lee had avoided defeat at Gettysburg What if a military stalemate had developed coupled with growing antiwar sentiment What if Lincoln had been defeated in the 1864 election and Great Britain had recognized the Confederacy What would have been the careers of an independent Confederate States of America and a defeated United States No historian has thought through such what if questions as seriously as Roger Ransom says the Washington Post Book World A master of historical analysis Roger L Ransom follows the consequences of the what if scenario over an extended period of time exploring such issues as the fate of slavery in a CSA how the economies of the USA and the CSA would have developed and how their foreign policies would have differed The result is a fascinating historical vision that is a source of insight into the critical events of the Civil War period as they actually happened Popular Series Fiction for Middle School and Teen Readers Rebecca L.
