Walker Evans Depth Of Field

Mary Street Alinder

Walker Evans Depth Of Field:

Walker Evans John T. Hill, Heinz Liesbrock, 2015-11-25 This resplendent volume is the most comprehensive study of Walker Evans's work ever published containing masterful images accompanied by authoritative commentary from leading photography historians The name Walker Evans conjures images of the American everyman Whether it's his iconic contributions to James Agee's depression-era classic book *Let Us Now Praise Famous Men* his architectural explorations of antebellum plantations or his subway series taken with a camera hidden in his coat Evans's accessible and eloquent photographs speak to us all This comprehensive book traces the entire arc of Evans's remarkable career from the 1930s to the 1970s The illustrations in the book range from his earliest images taken with a vest pocket camera to his final photos using the then new SX 70 because his regular equipment had become too heavy to carry around The book includes commentary from three of Evans's longtime friends photographers John T Hill and Jerry Thompson and professor emeritus Yale University Alan Trachtenberg Their insight and first hand experience give depth to their critical writings on Evans's work In addition to offering a broad perspective on Evans's work the book also clarifies the photographer's anti-art philosophy Eschewing aesthetic hyperbole Evans wanted his pictures to resonate with a wide audience At the same time his natural curiosity made him one of the most inventive photographers of all time What these photographs and writings attest to is a huge and timeless talent which came not from a camera but from Evans's uniquely hungry eye **Depth of Field**

Walker Evans, John T. Hill, Jr., Heinz Liesbrock, 2015-11-24 Walker Evans whose work both defined and transcended the genre of documentary photography is arguably the most influential American photographer of the twentieth century This first European retrospective of his art will open at the Josef Albers Museum in Bottrop Germany in September 2015 and will subsequently travel to the High Museum of Art in Atlanta and to the Vancouver Art Gallery The accompanying book *Depth of Field* aims to show in detail the arc of Evans's career It traces the complex development of his oeuvre from the brilliance of his early street photography to his iconic photographs of the Great Depression to his late embrace of color and especially color Polaroid a medium intended for amateurs The book also features lesser known series including his photographs of Victorian and antebellum architecture Cuba and Florida's Gulf Coast and his *Fortune* magazine portfolios Lastly it sheds light on Evans's appropriation of vernacular signs and ephemera as an extension of his vision with a camera In image and text this comprehensive book reveals Evans's denial of photography's boundaries to reach past his time and place becoming a seminal figure in the arts

Walker Evans Svetlana Alpers, 2023-11-07 A magisterial study of celebrated photographer Walker Evans Walker Evans 1903-75 was a great American artist photographing people and places in the United States in unforgettable ways He is known for his work for the Farm Security Administration addressing the Great Depression but what he actually saw was the diversity of people and the damage of the long Civil War In Walker Evans renowned art historian Svetlana Alpers explores how Evans made his distinctive photographs Delving into a lavish selection of Evans's work Alpers

uncovers rich parallels between his creative approach and those of numerous literary and cultural figures locating Evans within the wide context of a truly international circle Alpers demonstrates that Evans's practice relied on his camera choices and willingness to edit multiple versions of a shot as well as his keen eye and his distant straight on view of visual objects Illustrating the vital role of Evans's dual love of text and images Alpers places his writings in conversation with his photographs She brings his techniques into dialogue with the work of a global cast of important artists from Flaubert and Baudelaire to Elizabeth Bishop and William Faulkner underscoring how Evans's travels abroad in such places as France and Cuba along with his expansive literary and artistic tastes informed his quintessentially American photographic style A magisterial account of a great twentieth century artist Walker Evans urges us to look anew at the act of seeing the world to reconsider how Evans saw his subjects how he saw his photographs and how we can see his images as if for the first time

James Agee in Context Michael A. Lofaro, 2023-01-17 It's difficult to overestimate the impact of the many new works by James Agee uncovered and published in the last twenty years These previously unknown primary works have in turn encouraged a parallel explosion of critical evaluation and reevaluation by scholars to which James Agee in Context is the latest contribution This superb collection from well known James Agee scholars features myriad approaches and contexts for understanding the author's fiction poetry journalism and screenwriting The essays bring the reader from the streets of James Agee's New York to travel with the author from Alabama to Hollywood to Havana Contributors explore overlapping and sometimes unique subjects themes and accomplishments or lack thereof in Agee's uncovered works and highlight the diversity of interest that Agee's complete body of work inspires The insightful scholarship on influence examines connections between Agee and Wright Morris Helen Levitt John Dos Passos Ernest Hemingway and Stephen Crane Such juxtapositions serve to illustrate how Agee drew on literary influences as a young man how he used his work as a journalist to craft fiction as he was about to turn thirty and his influence upon others The volume concludes with three poems and a short story by Agee all previously unknown It seems astonishing that so much remains to be discovered about this protean author his materials and his circle Yet the recovery and analysis of neglected texts and information mined from newspapers and magazines proves the extent to which Agee kept his mind and his work as he himself put it patiently concentrated upon the essential quietudes of the human soul

American Witness RJ Smith, 2017-11-07 From the author of the acclaimed James Brown biography The One comes the first in depth biography of renowned photographer and filmmaker Robert Frank best known for his landmark book The Americans As well known as Robert Frank the photographer is few can say they really know Robert Frank the man Born and raised in wartime Switzerland Frank discovered the power and allure of photography at an early age and quickly learned that the art meant significantly more to him than the money success or fame The art was all and he intended to spend a lifetime pursuing it American Witness is the first comprehensive look at the life of a man who's as mysterious and evasive as he is prolific and gifted Leaving his rigid Switzerland for the more fluid United States in 1947

Frank found himself at the red hot social center of bohemian New York in the 50s and 60s becoming friends with everyone from Jack Kerouac Allen Ginsberg and Peter Orlovsky to photographer Walker Evans actor Zero Mostel painter Willem de Kooning filmmaker Jonas Mekas Bob Dylan writer Rudy Wurlitzer jazz musicians Ornette Coleman and Charles Mingus and more Frank roamed the country with his young family taking roughly 27 000 photographs and collecting 83 of them into what is still his most famous work *The Americans* His was an America nobody had seen before and if it was harshly criticized upon publication for its portrait of a divided country the collection gradually grew to be recognized as a transformative American vision And then he turned his back on certain success giving up photography to reinvent himself as a film and video maker Frank helped found the American independent cinema of the 1960s and made a legendary film with the Rolling Stones Today the nonagenarian is an embodiment of restless creativity and a symbol of what it costs to remain original in America his life defined by never repeating himself never being satisfied *American Witness* is a portrait of a singular artist and the country that he saw

Art and knowledge after 1900 James Fox, Vid Simoniti, 2023-12-12 This ground breaking new history of modern art explores the relationship between art and knowledge from the beginning of the twentieth century to the present day Each chapter examines artistic responses to a particular discipline of knowledge from quantum theory and theosophy to cybernetics and ethnic futurisms The authors argue that art's incursion into other intellectual disciplines is a defining characteristic of both modernism and postmodernism Throughout the volume poses a series of larger questions is art a source of knowledge If so what kind of knowledge And ultimately can it contribute to our understanding of the world in ways that thinkers from other fields should take seriously

The South in Color William Ferris, 2016-07-01 Since the moment William Ferris's parents gave their twelve year old son a Kodak Brownie Hawkeye camera for Christmas in 1954 Ferris passionately began to photograph his world He has never stopped The sixties and seventies were a particularly significant period for Ferris as he became a pathbreaking documentarian of the American South This beautiful provocative collection of 100 of Ferris's photographs of the South taken during this formative period capture the power of his color photography Color film as Ferris points out in the book's introduction was not commonly used by documentarians during the latter half of the twentieth century but Ferris found color to work in significant ways in the photographic journals he created of his world in all its permutations and surprises The volume opens with images of his family's farm and its workers family and hired southeast of Vicksburg Mississippi The images are at once lyrical and troubling As Ferris continued to photograph people and their homes churches and blues clubs their handmade signs and folk art and the roads that wound through the region divisive racial landscapes become part of the record A foreword by Tom Rankin professor of visual studies and former director of the Center for Documentary Studies at Duke University provides rich insight into Ferris's work

Aesthetics and the Revolutionary City James Clifford Kent, 2018-09-22 *Aesthetics and the Revolutionary City* engages in alternative ways of reading foreign visual representations of Havana through analysis of advertising images documentary films and photographic

texts It explores key narratives relating to the projection of different Havana imaginaries and focuses on a range of themes including pre revolutionary Cuba the dream of revolution and the metaphor of the city frozen in time The book also synthesizes contemporary debates regarding the notion of Havana as a real and imagined city space and fleshes out its theoretical insights with a series of stand alone important case studies linked to the representation of the Cuban capital in the Western imaginary The interpretations in the book bring into focus a range of critical historical moments in Cuban history including the Cuban Revolution and the Special Period and consider the ways in which they have been projected in advertising documentary film and photography outside the island *Visual Methods in the Field* Terence Heng, 2016-11-10

The use of images particularly photography has been steadily gaining popularity in academia but there has not yet been a book that deals with the act and process of photo taking in the field Drawing upon 21 years of photographic experience and sociological research Terence Heng's immersive and narrative style will introduce photography as a qualitative method discuss the intricacies of challenges in and opportunities for using a camera in the field explore common themes and topics in social science research including photographing rituals space people and objects advise on navigating the always evolving technological landscapes of traditional digital and mobile photography *Visual Methods in the Field* Photography for the Social Sciences is a photography guide written for researchers by a researcher Using in depth ethnographic case studies from research done in various urban environments this book will act as a crucial bridge for students in geography sociology education media studies and other social sciences to incorporate photography into their research repertoire **Special**

Effects Dan North, Bob Rehak, Michael S. Duffy, 2019-07-25 As blockbusters employ ever greater numbers of dazzling visual effects and digital illusions this book explores the material roots and stylistic practices of special effects and their makers Gathering leading voices in cinema and new media studies this comprehensive anthology moves beyond questions of spectacle to examine special effects from the earliest years of cinema via experimental film and the Golden Age of Hollywood to our contemporary transmedia landscape Wide ranging and accessible this book illuminates and interrogates the vast array of techniques film has used throughout its history to conjure spectacular images mediate bodies map worlds and make meanings Foreword by Scott Bukatman with an Afterword by Lev Manovich *Edna Lewis* Sara B. Franklin, 2018-02-14

Edna Lewis 1916-2006 wrote some of America's most resonant lyrical and significant cookbooks including the now classic *The Taste of Country Cooking* Lewis cooked and wrote as a means to explore her memories of childhood on a farm in Freetown Virginia a community first founded by black families freed from slavery With such observations as we would gather wild honey from the hollow of oak trees to go with the hot biscuits and pick wild strawberries to go with the heavy cream she commemorated the seasonal richness of southern food After living many years in New York City where she became a chef and a political activist she returned to the South and continued to write Her reputation as a trailblazer in the revival of regional cooking and as a progenitor of the farm to table movement continues to grow In this first ever critical appreciation

of Lewis's work food world stars gather to reveal their own encounters with Edna Lewis Together they penetrate the mythology around Lewis and illuminate her legacy for a new generation The essayists are Annemarie Ahearn Mashama Bailey Scott Alves Barton Patricia E Clark Nathalie Dupree John T Edge Megan Elias John T Hill who provides iconic photographs of Lewis Vivian Howard Lily Kelting Francis Lam Jane Lear Deborah Madison Kim Severson Ruth Lewis Smith Toni Tipton Martin Michael W Twitty Alice Waters Kevin West Susan Rebecca White Caroline Randall Williams and Joe Yonan Editor Sara B Franklin provides an illuminating introduction to Lewis and the volume closes graciously with afterwords by Lewis's sister Ruth Lewis Smith and niece Nina Williams Mbengue **History in Practice** Ludmilla Jordanova, 2019-08-22

Exploring the breadth and complexities of history as a field of study History in Practice demystifies what historians actually do and the tasks they take on This study written by one of the most acute practitioners in the field examines not only the academic discipline but also engages with the use of historical ideas in the wider world The new edition features A new chapter on history in the digital age covering the use of information technology in historical practice Extended coverage of the relationships between history and other disciplines Fresh material on current trends in the practice of history Over 35 new illustrations spread throughout the book drawn from around the world This book is essential reading for all students seeking an understanding of history as a discipline *Encyclopedia of Twentieth-Century Photography, 3-Volume Set* Lynne Warren, 2005-11-15 The Encyclopedia of Twentieth Century Photography explores the vast international scope of twentieth century photography and explains that history with a wide ranging interdisciplinary manner This unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force This Encyclopedia presents the important developments movements photographers photographic institutions and theoretical aspects of the field along with information about equipment techniques and practical applications of photography To bring this history alive for the reader the set is illustrated in black and white throughout and each volume contains a color plate section A useful glossary of terms is also included Hurricane Katrina

in Transatlantic Perspective Romain Huret, Randy J. Sparks, 2014-12-15 There is no such thing as a natural disaster writes Romain Huret in his introduction to this multidisciplinary study of the events surrounding and the legacy of Hurricane Katrina Though nature produced Katrina's rising waters and destructive winds a vast array of manmade factors shaped the scope of the storm's impact as well as the local and national response to it In Hurricane Katrina in Transatlantic Perspective American and European scholars approach this infamous storm and its aftermath through a variety of disciplines from music to geography to anthropology creating a nuanced understanding of how society reacts to and later remembers times of disaster Richard Campanella and Romain Huret examine the particular geographical and political mix that set the stage for Katrina's devastation especially among the poorest populations of New Orleans and the Gulf South Jean Kempf James Boyden Andrew Diamond and Thomas Jessen Adams address the ideological biases and racial stereotypes that infused local and

national commentary in the days and weeks after the storm Finally Bruce Raeburn Sara Le Menestrel Anne M Lovell and Randy J Sparks explore the impact of this powerful tropical event on the city s institutions and cultural organizations Hurricane Katrina in Transatlantic Perspective offers a profound and innovative collection of insights on one of the most significant environmental catastrophes in U S history forcing us to examine the cultural actors that transformed a natural disaster into a humanitarian crisis

Photography Mark Galer,2007 This third edition maintains the aim of providing a clear and comprehensive explanation of the fundamental photographic techniques The key focus is to update the digital content in line with developments modifying the existing content to embrace digital capture and output **Reading**

Photographs Richard Salkeld,2020-09-02 Reading Photographs is a clear and inspiring introduction to theories of representation and visual analysis and how they can be applied to photography Introducing the development of photography and different approaches to reading images the book looks at elements such as identity gaze psychoanalysis voyeurism and aesthetics Striking visual examples are used to illustrate the text and engaging case studies delve deeper into issues raised within each chapter with brief activity points to allow the reader to apply relevant theories to their own practice **It's Not**

About the F-Stop Jay Maisel,2015-03-07 Jay Maisel has been hailed as one of the most brilliant and gifted photographers of all time But he is also much more than that he is a mentor teacher and trailblazer to many photographers and a hero to those who feel Jay s teaching has changed the way they see and create their own photography He is a living legend whose work is studied around the world and whose teaching style and presentation garner standing ovations and critical acclaim every time he takes the stage In his first educational book Light Gesture and Color Jay put his amazing insights and learning moments from a lifetime behind the lens into a book that communicated the three most important aspects of street photography light gesture and color Here in It s Not About the F Stop Jay builds on that success to take you beyond the buttons and dials on your camera to continue to teach you how to see like a photographer and how to capture the world around you in a way that delights intrigues and challenges the viewer Each page unveils something new and inspires you to rethink everything you know about the bigger picture of photography This isn t a book about f stops or ISOs It s about seeing And nobody communicates this visually or through the written word like Jay Maisel *Professional Architectural Photography* Michael

G. Harris,2002 This is a must have guide both for aspiring students and for established professionals who need to keep up to speed with the current impact of recent digital developments Learn how to achieve top quality architectural images from a leading expert up to date advice on the pros and cons of digital photography in this field step by step guide to typical profitable shooting sequences on assignment benefit from an in depth analysis of published brochure design and photography In this highly visual full colour text Michael Harris shares his professional secrets and demonstrates how to achieve top quality architectural images Brief histories of both architecture and architectural photography lay the foundations for the technical applications that follow This third edition provides increased coverage of the revolution in digital photography

which is forcing all photographers to review their practices The pros and cons of these developments are assessed through a comparison of the film and digital mediums and the highly debated variances in their quality and cost back cover *Group f.64* Mary Street Alinder, 2014-11-04 An engaging illuminating group biography of the photographers of the seminal West Coast movement the first in depth book on Group f 64 Group f 64 is perhaps the most famous movement in the history of photography counting among its members Ansel Adams Imogen Cunningham Dorothea Lange Willard Van Dyke and Edward Weston Revolutionary in their day Group f 64 was one of the first modern art movements equally defined by women From the San Francisco Bay Area its influence extended internationally contributing significantly to the recognition of photography as a fine art The group first identified as such in a 1932 exhibition was comprised of strongly individualist artists brought together by a common philosophy and held together in a tangle of dynamic relationships They shared a conviction that photography must emphasize its unique capabilities those that distinguished it from other arts in order to establish the medium's identity Their name f 64 they took from a very small lens aperture used with their large format cameras a pinprick that allowed them to capture the greatest possible depth of field in their lustrous sharply detailed prints In today's digital world these straight photography champions are increasingly revered Mary Alinder is uniquely positioned to write this first group biography A former assistant to Ansel Adams she knew most of the artists featured Just as importantly she understands the art Featuring fifty photographs by and of its members Group f 64 details a transformative period in art with narrative flair *Myrna Loy* Emily W. Leider, 2011-10-03 From the beginning Myrna Loy's screen image conjured mystery a sense of something withheld Who is she was a question posed in the first fan magazine article published about her in 1925 This first ever biography of the wry and sophisticated actress best known for her role as Nora Charles wife to dapper detective William Powell in *The Thin Man* offers an unprecedented picture of her life and an extraordinary movie career that spanned six decades Opening with Loy's rough and tumble upbringing in Montana the book takes us to Los Angeles in the 1920s where Loy's striking looks caught the eye of Valentino through the silent and early sound era to her films of the thirties when Loy became a top box office draw and to her robust post World War II career Throughout Emily W. Leider illuminates the actress's friendships with luminaries such as Cary Grant Clark Gable and Joan Crawford and her collaborations with the likes of John Barrymore David O. Selznick Sam Goldwyn and William Wyler among many others This highly engaging biography offers a fascinating slice of studio era history and gives us the first full picture of a very private woman who has often been overlooked despite her tremendous star power
