His Way Kitty Kelley, 2010-11-10 1 NEW YORK TIMES BESTSELLER With a new afterword by the author in honor of Frank Sinatra's 100th birthday This is the book that Frank Sinatra tried but failed to keep from publication and it's easy to understand why This unauthorized biography goes behind the iconic myth of Sinatra to expose the well hidden side of one of the most celebrated and elusive public figures of our time Celebrated journalist Kitty Kelley spent three years researching government documents Mafia related material wiretaps and secret testimony and interviewing more than 800 people in Sinatra's life family colleagues law enforcement officers friends The result is a stunning often shocking exposé of a man as tortured as he was talented as driven to self destruction as he was to success Featuring a new afterword by the author this fully documented highly detailed biography filled with revealing anecdotes is the penetrating story of the explosively controversial and undeniably multitalented legend who ruled the entertainment industry for fifty years and continues to fascinate to this day Praise for His Way The most eye opening celebrity biography of our time The New York Times A compelling page turner Kitty Kelley's book has made all future Sinatra biographies virtually redundant Los Angeles Herald Examiner
